A Guide To The Birds Of East Africa:

Birds of East Africa Terry Stevenson, John Fanshawe, 2004-12-01 This is the first comprehensive field guide dealing exclusively with the birds of this spectacular region. It covers all resident migrant and vagrant species found in Kenya, Tanzania, Uganda, Rwanda, and Burundi. Over 1300 species are illustrated with full details of all the plumages and major races likely to be encountered. Concise text describes identification, status, range, habits, and voice, with range maps for each species. This authoritative book will not only be an indispensable guide to the visiting birder but also a vital tool for those engaged in work to conserve and study the avifauna of this region. East Africa shelters a remarkable diversity of birds, many seriously endangered, with small and vulnerable ranges. They form a constantly colourful, noisy, and highly extrovert part of the landscape.

A Guide to the Birds of East Africa Nicholas Drayson, 2017-11-01 A charming love triangle in Nairobi, Kenya, forms the center of a novel that manages to be both sweet and gripping. Publishers Weekly: For the past three years, Mr. Malik, a widower and avid birdwatcher, has been secretly in love with Rose Mbikwa, the lovely woman who leads the Tuesday morning bird walk sponsored by the East African Ornithological Society. Beneath his unassuming exterior and carefully sculpted comb over lies a warm and passionate heart. But just as he gets up the nerve to ask Rose to the annual Nairobi Hunt Club Ball, Nairobi's social event of the season, a boyhood nemesis arrives and becomes equally enraptured with Rose. Rather than force her to choose between them, the two men agree to a clever solution: whoever can identify the most species of birds in one week's time will win the privilege of asking Ms. Mbikwa to the ball. Set against a lush Kenyan landscape rich with wildlife and political intrigue, this humorous novel is a welcome respite from our crazy world. USA Today: This charming novel, if you are a fan of Alexander McCall Smith, you'll find Drayson's knowing, sprightly writing just as entertaining. People: This book is a sheer delight for birders and nonbirders alike. Minneapolis Star Tribune: As bright and perky as a purple-backed sunbird. The New York Times Book Review.

A Guide to the Birds of East Africa Nicholas Drayson, 2009-03 Rose Mbikwa is leader of the Tuesday morning bird walk of East African Ornithological Society and light, quiet, balding Mr. Malik's life. If only the path of true love ran smooth. Not even his friends at the Asadi Club know of his love, but just as he plans to ask Rose to the Hunt Ball, old-school bully Harry Kahn arrives in town with Rose in his sights. When Mr. Malik blurts out his feelings, a wager is set: whoever sees the most birds in a week will ask Rose to the ball. But filthy-rich Harry is everything Mr. Malik is not. With boats, planes, and guides helping Harry to the choicest bird-watching spots in Kenya, does Mr. Malik stand a chance?
