of the car and the fear of the unknown was starting to set in as the sun was dropping rapidly off in the distance but they made a dare and they were not about to back out now and be the laughing stock of their classmates the next morning The car arrived at the right moment as darkness filled the sky Alicia and Mary Beth looked at each other with fear in their eyes but suppressed their fear and turned to the other girls in the front seat of the car and gave their best performance of courage grabbed their flashlights and said let us go check out this fictitious legend and put it to rest once and for all and have the last laugh One of the girls in the car yelled out as Alicia and Mary Beth headed off into the woods You just might want to take a cross and a stake with you in case you see a vampire the girls in the car laughed hysterically as Alicia and Mary Beth entered the woods with the unknown just moments away As Alicia and Mary Beth got deeper into the woods the wind was picking up and thunder could be heard off in the distance These two girls were on a mission and just kept pressing forward and hurried in hopes this would all be over soon and they could get back home and never come back to these woods again whether or not it was all made up As the girls were walking more in depth into the woods Alicia said Do you see what I m seeing Mary Beth replied Yes I do It s an ancient castle Why don t we go back and get the girls and investigate a little further Before Alicia could get off the ground a tall dark figure appeared out of nowhere As the figure stood in front of her he said Are you looking for me
