of thousands of soldiers that came through the years The history of Fort Monmouth New Jersey begins in May 1917 when as part of its wartime mobilization the Army authorized four training camps for signal troops One camp located in central NJ would eventually be known as Fort Monmouth in honor of the soldiers of the American Revolution who fought and died at the nearby battle of Monmouth This camp was located on the site of an old racetrack and luxury hotel remnants of the famed Gilded Age at the Jersey Shore Though much of the site was overgrown and infested with poison ivy it afforded the Army significant advantages proximity to the port of Hoboken and a train station good stone roads and access to water Corporal Carl L Whitehurst was among the first men to arrive at Camp Little Silver He later recalled that the site appeared to be a jungle of weeds poison ivy briars and underbrush The Army Signal Corps carved a camp out of that wilderness and trained thousands of men for war there The Signal Corps also built laboratories that worked on pioneering technologies like air to ground radio from their very inception Though the base was supposed to be temporary it wound up outliving the war It was for decades known as the Home of the Signal Corps and until its closure in 2011 was still innovating some of the most significant communications and electronics advances in military history The US Army Communications Electronics Command CECOM which left Fort Monmouth in 2011 for Aberdeen Proving Ground Maryland can trace its roots to the establishment of the Signal Corps training camp and research and development laboratory at Fort Monmouth in 1917 and Netflix the site s next owner has a powerful legacy to live up to From celebrity homing pigeons to the radars that detected the incoming Japanese planes at Pearl Harbor to early space communications and night vision technologies Fort Monmouth once called the Army s House of Magic was the birthplace of innovation and technological revolution and the home of a uniquely diverse group of military and civilian heroes and scientists [Monthly Catalog of United States Government Publications](#) United States.
