The Druzes in the Jewish State Kais Firro,1999 Unlike their coreligionists in Lebanon and Syria the Druzes in Israel are facing severe questions of identity Weaving together a wealth of social economic and political aspects the author shows how Zionist policies of cooptation and separation are behind the ever growing sense of alienation that pervades the community today

The Isma'ilis Farhad Daftary,1992-04-24 Scattered across the globe the Isma'ilis constitute the second largest Shi'i community in the Muslim World This study traces their history and doctrinal developments from their origins to the present day over a period of twelve centuries

The Druze Community and the Lebanese State Yusri Hazran,2014-07-11 One of the fundamental questions of Middle Eastern and Lebanese studies in particular is the history of the relationship between the Druze community and the state in modern Lebanon Arguing that the Druze community has been politically alienated from the Lebanese state this book explores the historical and political origins of this alienation The Druze Community and the Lebanese State contends that the origins of this alienation lie in the state's national ideology its political confessional system and the Druze's historical background during the medieval period Moreover this book examines the extent to which the Druze's attitude vis vis the Lebanese state has been influenced by their historical rivalry with the Maronites Particular emphasis is placed on the political and ideological practices adopted by the Druze leadership and

intelligentsia as they dealt with the changes taking place in their community's political status following the political settlements of 1920 and 1943 the establishment of Greater Lebanon and the National Pact respectively A welcome addition to existing literature on Lebanon this book will be an essential reference tool for students and researchers with an interest in nationalism identity and Middle East Politics more broadly *Mount Lebanon a Ten Years' Residence from 1842 to 1852* Churchill,1862 **A General Catalogue of Books, Etc** Bernard Quaritch,1868 **Allah Transcendent** Ian Richard Netton,2013-01-11 Examines the role of God in medieval Islamic philosophy and theology in a new and exciting way Renouncing the traditional chronological method of considering Islamic philosophy Netton uses modern literary modes of criticism derived from structuralism post structuralism and semiotics **The Nusayrī-'Alawī Religion** Meir M. Bar-Asher,Aryeh Kofsky,2021-08-04 The Nusayr s also known as Alaw s have been in power in Syria for the past three decades Little is known of their origins or their long history while their religious creeds and thought are somewhat better known The main reason for our fragmentary knowledge of the Nusayr religion is that since its beginnings it has always been the secret faith of a self conscious elite that zealously guarded its sectarian literature The Nusayr Alaw faith is a clear example of a syncretistic religion It combines and fuses elements of cults and creeds of very disparate and remote origins Among these are various pagan beliefs residues of ancient Mesopotamian and Syrian cults as well as Persian Christian Gnostic and Muslim both Sunn and Sh religious precepts and practices All these components have been brought together in a syncretistic religious system that has assumed a heterodox Sh garb The present volume presents a mosaic of fundamental aspects of Nusayr theology and liturgy It demonstrates the complexity of Nusayr theology and the diversity of religious thought within the Nusayr fold
