Historical Phases of Prophetic Teaching Volume IV Evelyn Theresa Watson, 2013-11 In Volume IV the author Evelyn Theresa Watson compares the Revelator's words to scriptural and gospel prophecy verifying the doctrinal mystery and miracle that lie behind the religious warfare of past and present ages Her commentary presents THE REVELATION OF ST JOHN THE DIVINE as a treatise on the life and time of Jesus Christ as the messenger of the messianic message unto the seven churches She attests to the Revelator's seven visions of revealed prophecy which retell the previous two thousand years of unfulfilled scriptural prophecy and foretell one hundred years of fulfilled gospel prophecy The author correlates these two time periods to the nineteen hundred years of biblical prophecy that followed The beginning of the twenty first century marks the end times of the Bible's historical phases of prophetic teaching

*The Ministry, Vol. 09, No. 05* Various Authors, 2005-05-01 This issue of The Ministry contains the final group of eight messages given during the 2004 fall term of the Full time Training in Anaheim California The general subject for this line of messages is the intrinsic significance of the Lord's recovery for the building of the church as the house of God and the city of God With the first message of this volume

six crucial words are introduced which are related to the intrinsic situation and need in the Lord's recovery. The first three words purification, education, and reconstitution are related to the ministry of Ezra who not only enriched the recovery but in particular purified the recovery. The other three words separation, protection, and expression are related particularly to the ministry of Nehemiah with its pure, absolute, and aggressive leadership. The ministry of Ezra with the elements of purification, education, and reconstitution make up the intrinsic need in the Lord's recovery today. The leadership of Nehemiah comes after the ministry of Ezra. Nehemiah principally took the lead to build up the wall. The wall is the intrinsic significance of the city. To build up the wall and the temple is to build up the church as the house of God for the expression of God. To build up the wall with the city is to build up the church as the kingdom of God for the dominion of God. Both of these aspects of building up the church as the house of God and as the kingdom of God were so that God could have a corporate man in His image to express and represent Him with His dominion. These are for the full accomplishment of the economy of God that is to build up the Body of Christ to usher in the kingdom of Christ and to consummate the New Jerusalem. Last of all we include reports concerning the distribution of the ministry in Romania and in Poland.

Fallen Angels, Giants, Monsters and the World Before the Flood Rick Renner, 2024-09-03. Do You Have Questions About the World Before the Flood? Does the Bible Really Explain the Unexplainable? Are we really living in the days of Noah as some prophets have said? How are the events of Noah's Ark and the Flood relevant to the last days? Are rebellious fallen angels masquerading as aliens and UFOs today? In this book Rick Renner, historian and Bible teacher with extensive knowledge of New Testament Greek, clears up some rampant erroneous theories while uncovering brand new revelations from the Bible. He uses archaeological findings, the writings of Church fathers, trusted historical documents, and Scripture to answer these and other questions such as: When was the first recorded rapture? What does it tell us about the rapture of the Church? Are the sons of God in Genesis and the fallen angels the same thing? Who were the watchers God assigned to guard mankind after the Fall? Was Methuselah's life a prophetic demonstration of God's longsuffering that preceded judgment? What did God's promise of 120 years really mean? Where is Noah's Ark today? And why did God save only Noah and his family? Are there any consequences of unholy living today? Using photos from his own expeditions in the lower Ararat mountains along with other empirical evidence of the Ark's location, Rick captivates readers in this book and brings the Bible to life concerning this favorite childhood story. Containing hundreds of photos, illustrations, and endnotes, Fallen Angels, Giants, Monsters and the World Before the Flood is a museum in a book and a must-have edition to refresh and re-fire your walk with God.

**Symposium on Satanism (JCR Vol. 1 No. 2)** R. J. Rushdoony, Gary North, David Ketchen, Thomas Molnar, Mark Wyndham, Diana Lynn Walzel, F. Seth Dyrness, Jean C. Blasdale, Greg Bahnsen, 2019-03-22. Witchcraft, occultism, paranormal science, and mysticism are growing like plagues in the Western world. These phenomena have baffled modern educators and conventional rationalists since such activities seem to be completely opposed to everything that the public schools have taught for over a hundred years. Worst of all in the minds of

conventional secularists all this discussion of demonic forces may lead to an even more appalling conclusion the idea that God also a supernatural force may reappear in the modern post Christian world At all costs a God who can make himself felt in time and on earth must be avoided Mysticism is one thing totally internalized but supernatural forces are not supposed to have any impact on external so called phenomenal affairs Occultism is another form of humanism It is the product of the quest for power apart from God and His law order It was not a major force in the so called Dark Ages Not until the fifteenth century did witchcraft become a serious problem in Europe and it was the Renaissance not medievalism which sparked the great explosion of demonism and magic in the sixteenth century During the period of the early Middle Ages A D 500 1000 there were practically no signs of witchcraft in Europe Only with the revival of ancient Gnosticism and the invasion of Middle Eastern dualism did signs of widespread witchcraft reappear Occultism and humanism are not sworn enemies they are first cousins It was only the influence of Christian principles which laid such stress on the orderliness of God s universe that made possible the confidence of modern rationalists in denying the influence of supernatural forces As the confidence in creation law has waned in this century rational humanism has become increasingly unsuccessful in retarding the expansion of occult humanism This Journal of Christian Reconstruction offers readers the necessary evidence for a refutation of the familiar charge that occultism and religion necessarily go together and that only a hard headed rationalism can restrain the forces of spiritual anarchy Far from retarding occultism modern rationalism s blindness to the reality of occult forces is now creating a perverse inquisitiveness on the part of modernism s children who have learned to be critical of everything including old fashioned rationalism The philosophy of the open universe closed to God has produced the new occult experimentalism If anything except Christian orthodoxy might be true why not find out through personal observation and experiment Since 1965 the Western world has faced the greatest explosion of occultism that it has seen in three hundred years This time no one can blame orthodox Christianity it has been the secularists who have wielded the power     *You Can Get Over It* Rick Renner, 2012-11-15 No Harbored Offense Is Worth Sabotaging Your Future There s no doubt that at some point in your life someone has wronged you You may even be in a painful situation right now But you don t have to let anyone s actions against you pollute your attitude toward God and prevent His good plan for your future What matters now is that you stop unforgiveness and bitterness before they began producing their deadly fruit in your life If someone has committed an offense against you God will deal with that person But right now He wants to help you so that this pain and trouble doesn t immobilize you any longer Chapter titles include Jesus Understands Your Emotions Frustrations and Temptations The Friend Who Became Jesus Betrayer Uproot Every Root of Bitterness Ten Practical Suggestions To Keep Your Heart Free of Bitterness and Strife In this book Rick Renner helps you find your way out of the emotional prison that has tried to hold you captive Let God speak to you through these pages so that you can walk free into the future He has planned for your life No matter what the offense He has truly made a way for you to get over it     **Jesus Becoming Jesus, Volume 2** Thomas G.

Weinandy, 2021-03-26 *Jesus Becoming Jesus Volume 2 A Theological Interpretation of the Gospel of John Prologue and the Book of Signs* follows upon the first volume of this series entitled *Jesus Becoming Jesus* The first volume was a theological interpretation of the Gospels of Matthew Mark and Luke Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within John's Gospel He does this in the light of the Church's doctrinal and theological tradition particularly in keeping with the Second Vatican Council's Dogmatic Constitution *Dei Verbum* This is accomplished through a close reading of John's Gospel theologically interpreting each chapter of the Gospel sequentially In so doing he also takes into account the Johannine corpus as a whole He also relates John's Gospel to relevant material found within the Synoptic Gospels the Pauline Corpus and other New Testament writings This original theological interpretation focuses primarily on the intertwining theological themes contained within John's Gospel specifically within the Prologue and the Book of Signs light and darkness the seven miracle signs the sacraments of baptism and the Eucharist the seven I Am sayings the contentious dialogues with the Jews Jesus relationship to his Father as the Father's incarnate Word and Son etc Within all of these interlocking themes one finds the importance of Jesus saving actions the salvific works of his Father The overarching theme of this book as the title suggests is that Jesus being named Jesus throughout his public ministry is enacting his name and so becoming who he is YHWH Saves Weinandy offers a singular vibrant and luminous reading of John's Gospel one that reveals the Evangelist's theological depth and doctrinal sophistication In so doing Weinandy makes manifest the particular beauty of the Gospel According to John
