A Ligurian Kitchen Recipes And Tales From The Italian Riviera:

A Ligurian Kitchen Laura Giannatempo, 2006 Liguria on the Italian Riviera is home to some of Italy's finest cooking. The Ligurian kitchen is famous for fish, fresh produce and herbs. Tales of loveable uncles and a lyrical account of making pasta in the midst of a storm tantalise just as much as the sumptuous recipe on offer in this book. In these 100 recipes the specialities of artisan bread bakers and those of the region's cucina povera combine to create a zestful collection that exemplifies that extraordinary marriage of land and sea that is Ligurian cuisine.

Regional Greek Cooking Dean Karayanis, Catherine Karayanis, 2008 This is a Greek family cookbook with unique flavours and home kitchen recipes. This book showcases dishes from the key regions of mainland Greece as well as the islands and introduces readers to little known spices and ingredients providing ways to track them down. Of particular interest is a section on micro brewed beers, regional wines and different ouzos. Also included is an overview of the Hellenic detailing the culinary history and culture of provincial and mainland Greece.

Tastes from a Tuscan Kitchen Madeline Armillotta, Diane Nocentini, 2007 Over the years the authors have collected many wonderful recipes from relatives and friends living in Tuscany and other regions of Italy. When deciding to write this book they considered which of these recipes we used the most and why. Both authors enjoy the distinct flavours in Italian cooking which are enhanced by the use of fresh herbs and extra virgin olive oil and also eating a healthy well balanced diet of fresh fruits, vegetables, fish, meat, beans and dairy products. They also appreciate that in today's world everyone has a busy schedule. Therefore it became a priority that the recipes offered were not only delicious but also quick and easy to prepare. The final selection includes a wide variety of mouth watering favourites presented with concise easy to follow instructions and many tasty variations. These variations allow for flexibility in the kitchen and are an enticing invitation to cook creatively. The result is a cookbook that will simplify your life and gratify the tastebuds of your family and friends. This book will become your inspiration for quick wholesome everyday meals, a well thumbed friend supplying a constant source of ideas for delicious day to day Italian cooking.
