basically becomes an outcast Two years later Jim is still bitter about what happened to him However he soon finds himself
the centerpiece in an odd turn of events that gives him a second chance at his dream But nothing is as easy as it sounds as
Jim soon discovers Among other things he s made an enemy of a prospective super teammate he s being stalked by an

powers with lethal consequences Now in addition to evading the machinations of government agents Jim must solve the
mystery behind the virus and how to stop it before every super everywhere becomes fatally infected

adjusting to a team environment and coping with what might be perceived as a growing rivalry between himself and another
teen super On top of all that despite having a serious girlfriend he finds himself inexplicably drawn to a new female super he
s just met At the same time some villain has just gotten himself a new toy an unknown weapon of tremendous power that is
able to strike without warning causing unprecedented destruction and loss of life Perhaps more terrifying the wielders of this
weapon make no demands and issue no threats they simply attack Even the Alpha League the world's greatest superhero
