Signs of the Presence Sergii Sannikov, 2025-09-30 The Baptist movement is often interpreted through the lens of rationalism because of its declared anti sacramentalism particularly within the Eastern European context Yet the reality is that many churches engage with the mystery of divine presence and have done so since the origins of the movement In this study Dr Sergii Sannikov explores sacramentalism focusing on the theology of baptism the eucharist and the laying on of hands in the Eastern European Baptist tradition Analyzing the seven most common Baptist views on baptism Sannikov demonstrates a robust baptismal theology as a divine human encounter He traces the eucharist s historical roots and examines its different cultural and theological understandings to help readers see the fullness of the Lord s supper while avoiding mistaken understandings of its ordinances Sannikov goes on to examine various aspects within Baptist church life such as the laying on of hands ordination imposition of the sick and blessing marriages and children in addition to preaching and worship Filled with rich scholarship and practical application this book highlights that church activity is much more than bare symbolism it is the very real presence of Christ in the life of the church inviting every believer to experience divine encounter

The People of God Paul Basden, David S. Dockery, 2009-08-01 The term Believers Church refers to those who regard the church as the fellowship of regenerate followers of Jesus Christ Membership in these churches is founded on a voluntary confession of Jesus as Lord Each member has access to God in worship and prayer and accepts responsibility for carrying the gospel to the world The Word of God serves as the final authority in all matters of faith and practice Written by capable thinkers in the Believers Church tradition The People of God addresses key issues in the area of ecclesiology The contributions represent a wide variety of mature theological reflection Exploring these ecclesiological concerns from a theological biblical historical and contemporary perspective these essays reflect the unity and diversity of the Believers Church heritage

Re-membering the Body Scott W. Bullard, 2013-11-01 For centuries Baptists have regarded the Eucharist or Lord s Supper as merely symbolic rather than as sacramental Historically speaking Baptists have also participated in the practice of the Supper less frequently than other

Christian groups all the while lodging complaints about a lack of ecclesial unity In response to these trends this book argues for a sacramental understanding of the Eucharist and focuses on the way in which the Eucharist conveys grace by drawing the church together as the body of Christ It focuses especially on the theology of James Wm McClendon Jr who was Baptist but nonetheless illustrated that through the Eucharist God re members the church as the body of Christ Together with Lutheran theologian Robert Jenson and Catholic theologian Cardinal Henri de Lubac McClendon s work has had an enormous impact on contemporary free church discussions about the Supper and ecclesial unity In a final chapter therefore the study examines a number of contemporary Baptists dubbed the new Baptist sacramentalists These men and women are influenced by McClendon Jenson and de Lubac and they offer a fresh approach to the ongoing puzzle of the church s disunity through the Eucharist

Free Churches and the Body of Christ Jeffrey W. Cary, 2012-11-05 Those within the free church tradition have often appealed to the notion of the invisible church to account for the unity of the Body of Christ A growing number of free church theologians however are giving increased attention to the importance of visible ecclesial unity which immediately raises the perennial problem of the authorities by which unity is maintained There is also a growing recognition among free church theologians of the need to recognize the authority of tradition in tandem with the authority of Scripture In this book Cary affirms these recent developments but then inquires whether a turn toward visible unity together with an embrace of the authority of tradition can eventually be coherent without also embracing the authority of an extra congregational teaching office To guide his study Cary engages the work of two theologians from outside the free church tradition Robert Jenson and Rowan Williams He then brings them into contact with the prominent free church theologian James McClendon in order to supplement some of the deficiencies Cary perceives in McClendon s groundbreaking work Once these deficiencies are addressed however the question intensifies whether the free church tradition as such can remain a coherent ecclesial option over time

Be My Valentine Sean D. Young, 2018-01-08 Patrice McClendon wants to create a signature scent for her family s aromatherapy and day spa this Valentine s Day The holiday is crucial for the family business

even if Patrice has never been a hearts and flowers kind of girl But creating the fragrance isn't easy and Patrice needs help She gets that and more when she meets successful perfumer Jacques Germain There are instant sparks when Jacques meets Patrice but she's asked him for professional help and mixing business with pleasure is a no no But they soon realize that none of the rules apply when love is involved and Jacques is determined to show Patrice that Valentine's Day can bring gifts more precious than anything money can buy Each book in the McClendon Holiday series is STANDALONE A McClendon Thanksgiving The Christmas Promise A Husband by New Year's Be My Valentine The Christmas Promise Sean D. McClendon JR.,2011-07-01 Christian doctrine McClendon tells us is no laundry list of propositions to be believed but is rather an essential practice of the church Doctrines are those shared convictions which the church must teach and live out if it is to be the church The author rejects the prevailing assumptions stemming from the rationalism of the Enlightenment and redefines theology as a discipline within the context of particular religious beliefs and practices of concrete believing communities McClendon ties the reading of Scripture to the community's understanding of itself and its own mission *Secrets from the Heart* Sean D. Young,2022-04-11 Taking over her family's charming and historic Red Rose Inn is a dream for Kira Davis even if it means the extra stress of knowing the entire Davis clan is watching her every move But ignoring her family's wishes and hiring too handsome Franklin Bennett as her temporary new manager might be a huge mistake given their families decades long feud Yet attraction still sparks between them proving to ex army engineer Franklin there's something real beneath the surface Something hopeful Something unmistakable But pursuing Kira could prove dangerous for a man with an uncertain future Now Kira and Franklin are caught between an ancient family feud and their feelings for each other The only way they can love each other is by unraveling the terrible truth about what happened back then and hope that love is strong enough to mend the break from so long ago **Reflections** Phillip McClendon,2010-07 If you've been around as long as I have you probably remember the songs of singer songwriter Jim Croce He grew up in South Philly watching performances of Fats Domino and the Coasters on TV's American Bandstand He looked like a tough guy but everyone who knew him said he has a big warm fun loving heart Jim Croce spent the first decade of his adult life toiling in a series of day jobs teaching emotionally disturbed children working in a hospital driving trucks operating a jackhammer at

construction sites At night he would sing and play guitar in coffeehouses He wasn't waiting for his big break he was hustling for it When he was twenty nine Jim Croce finally landed his first recording contract His first album You Don't Mess Around With Jim was completed quickly many of the songs being recorded in just one or two takes Once the album was released Croce's music an acoustic blend of folk and rock caught on fast The first two singles released from that album quickly became number one hits on AM radio and Jim Croce became a star His long delayed dream had finally come true His first two hits were upbeat rock ballads His record company decided to release a third song from the album a soft plaintive song called Time in a Bottle It was about how precious each moment of life is and how quickly those moments pass never to come again The song wistfully recounted the things Croce would do if only he could keep time in a bottle and pour out extra hours whenever he needed them Before Time in a Bottle could be released Jim Croce proved that the words of that song were truer than he realized On September 20 1973 after performing in a concert at Northwestern State University in Natchitoches Louisiana Croce boarded a small chartered plane along with a flight crew and members of his band The heavily loaded plane clipped a tree as it took off Like Croce's career the plane had barely gotten off the ground before it crashed Jim Croce was dead at age thirty We can't save time in a bottle and we never know how much time we have left We tend to think about the rest of our lives in terms of years and decades The truth is the rest of our lives might be measured in hours or even minutes So we need to make the most of each moment we have

[Analogous Uses of Language, Eucharistic Identity, and the 'Baptist' Vision](#) Aaron B James, 2014-09-01 The author argues that Baptist theologian James William McClendon Jr's articulation of the baptist vision entails an account of the real presence of Christ's body and blood that is internally faithful to that vision Furthermore such an account of real presence suggests that the baptist vision is itself a contribution of Baptists to ecumenical Christianity The

argument is set in the context of some contemporary Baptist engagement with ecumenical Christianity particularly historic Catholic Christianity COMMENDATION Aaron James shows how an ecumenically minded Baptist theologian can take up this theme with creativity grace and an inspiring desire to lift up our hearts toward the wondrous sacrament of unity and sacrament of charity He powerfully reminds us why this may well be the most important conversation that Christians can have today Matthew Levering University of Dayton Ohio USA **Islam at the Crossroads** Ibrahim M.
