Age of Higher Education Roger L. Geiger, 2018-02-06 This latest volume in Roger Geiger's distinguished series on the history of higher education begins with a rare glimpse into the minds of mid nineteenth century collegians Timothy J Williams mines the diaries of students at the University of North Carolina to unearth a not unexpected preoccupation with sex but also a complex psychological context for those feelings Marc A VanOverbeke continues the topic in an essay shedding new light on a fundamental change ushering in the university era the transition from high schools to college The secularization of the curriculum is a fundamental feature of the emergence of the modern university Katherine V Sedgwick explores a distinctive manifestation by questioning why the curriculum of Bryn Mawr College did not reflect the religious intentions of its Quaker founder and trustees Secularization is examined more broadly by W Bruce Leslie who shows how denominational faith ceded its ascendancy to Pan Protestantism Where does the record of contemporary events end and the study of history begin A new collection of documents from World War II to the present invites Roger Geiger's reflection on this question as well as consideration of the most significant trends of the postwar era Educators chafing under current attacks on higher education may take solace or dismay from the essay *Shaping a Century of Criticism* in which Katherine Reynolds Chaddock and James M Wallace explore H L Mencken's writings which address enduring issues and debates on the meaning and means of American higher education

Travel and Travail Patricia Akhimie, Bernadette Andrea, 2019-01-01 Popular English travel guides from the sixteenth and seventeenth centuries asserted that women who wandered too far afield were invariably suspicious dishonest and unchaste As the essays in *Travel and Travail* reveal however early modern women did travel often quite extensively with no diminution of their moral fiber Female travelers were also frequently represented on the English stage and in other creative works both as a reproach to the ban on female travel and as a reflection of historical women's travel whether intentional or not *Travel and Travail* conclusively refutes the notion of female travel in the early modern era as an absent presence The first part of the volume offers analyses of female travelers often recently widowed or accompanied by their husbands the practicalities of female travel and how women were thought to experience foreign places The second part turns to literature including discussions of roving women in Shakespeare Margaret Cavendish and Thomas Heywood Whether historical actors or fictional characters women figured in the wider world of the global Renaissance not simply in the hearth and home
