Cultures Merging Eric L. Jones, 2016-06-28 Economists agree about many things contrary to popular opinion but the majority agree about culture only in the sense that they no longer give it much thought So begins the first chapter of Cultures Merging in which Eric Jones one of the world s leading economic historians takes an eloquent pointed and personal look at the question of whether culture determines economics or is instead

determined by it Bringing immense learning and originality to the issue of cultural change over the long term course of global economic history Jones questions cultural explanations of much social behavior in Europe East Asia the United States Australia and the Middle East He also examines contemporary globalization arguing that while centuries of economic competition have resulted in the merging of cultures into fewer and larger units these changes have led to exciting new syntheses Culture matters to economic outcomes Jones argues but cultures in turn never stop responding to market forces even if some elements of culture stubbornly persist beyond the time when they can be explained by current economic pressures In the longer run however cultures show a fluidity that will astonish some cultural determinists Jones concludes that culture s ghostly transit through history is much less powerful than noneconomists often claim yet it has a greater influence than economists usually admit The product of a lifetime of reading and thinking on culture and economics a work of history and an analysis of the contemporary world Cultures Merging will be essential reading for anyone concerned about the interaction of cultures and markets around the world The Little Book of Somerset Maurice Fells,2018-11-09 Did you know The town of Wincanton is twinned with a place that does not exist William Gibbs of Tyntesfield House made his fortune by importing bird droppings from Peru A song by Scrumpy and Western singer Adge Cutler was banned by the BBC for being too raunchy Nine villages in Somerset are known as the Thankful Villages From seaside to countryside and villages to towns Somerset is a county where it s difficult to separate history and mystery This fast paced fact packed compendium of places people and trivia reveals all sorts of answers to questions you might have wondered about and some you didn t The facts stats and anecdotes will surprise even those familiar with this beautiful and historic county *The Wolf in Winter* John Connolly,2014-10-28 Krimi The death of a homeless man and the disappearance of his daughter draw the haunted lethal private investigator Charlie Parker to Prosperous Parker is a dangerous man driven by compassion by rage and by the desire for vengeance In him the town and its protectors sense a threat graver than any they have faced in their long history

Gargoyles, Grotesques & Green Men Gary R. Varner,2007-04-10 The symbols and strange images that we find in our cemeteries religious structures banks and in our parks are the same symbols that have been part of the framework of the human psyche for thousands of years While contemporary man may think that they are simply decorative manifestations of a by gone era they represent the fears dreams ideas beliefs and struggles that humankind has endured since we began to walk upright This book surveys many of these icons and will give a meaning for them both in the context of ancient history and folklore as well as a meaning that is suitable for our contemporary times Illustrated with dozens of photographs this book will be of interest to anyone interested in historic preservation ancient symbolism the Green Man and the universal application of imagery Gary R Varner has written numerous books on ancient traditions folklore the environment and contemporary issues He is a member of the American Folklore Society and the Foundation for Mythological Studies **The Green Man** Ellen Datlow,Terri Windling,2020-03-24 Drawing on the mythology of the Green Man and the power of nature Neil Gaiman Jane

Yolen and others serve up a tasty treat for fantasy fans Booklist There are some genuine gems in this enticing collection of fifteen stories and three poems all featuring diverse takes on mythical beings associated with the protection of the natural world most involving a teen s coming of age Delia Sherman takes readers into New York City s Central Park where a teenager wins the favor of the park s Green Queen Michael Cadnum offers a dynamic retelling of the Daphne story Charles de Lint presents an eerie heartwarming story in which a teenager resists the lure of the faerie world Tanith Lee roots her tale in the myth of Dionysus a god of the Wild Wood Patricia A McKillip steeps her story in the legend of Herne guardian of the forest Magic realism flavors Katherine Vaz s haunting story Gregory Maguire takes on Jack and the Beanstalk and Emma Bull looks to an unusual Green Man a Joshua tree in the desert Booklist These enduring works of eco fantasy by some of the genre s most popular authors impart a real sense of how powerful nature can be in its various guises School Library Journal A treasure trove for teens and teachers exploring themes of ecology and folklore Kirkus Reviews The stories are well written and manage to speak to both the intellect and the emotions SF Site
