The Significance of High Value in Human Behaviour Chris Steed,2019-03-01 The Significance of High Value in Human Behaviour is an innovative conceptualisation of how the quest for a high self worth works as a psychosocial dynamic presenting the idea that feelings of impotence and low self esteem induce a powerful impetus on negative human action This book gives an account of what it means to base a whole psychological perspective on high value which has been an understudied aspect of human action Employing an ethnographical approach the book uses client observations and social research to promote original solutions in an empathetic and engaging manner for psychological support services aiding isolated individuals It considers the concept of a valuable self and examines the negative effects within the personality which can be generated when this drive for a valuable self is blocked through human devaluation or violence The Significance of High Value in Human Behaviour will appeal to academics and post graduate students in the fields of psychology and psychotherapy psychotherapists with specialist interests in loneliness and self worth and sociologists concerned with the psychology of the self

Sex and the Intelligence of the Heart Julie McIntyre,2012-04-26 Explores how Nature underlies sexuality and intimacy Examines how to regain intimacy in our relationships in a way that embraces our hidden wild nature and restores the sacred to our lives Provides sacred sex and intimacy building practices for partners and exercises to reconnect with the intuitive intelligence of the heart remove our emotional armor and cultivate a deeper relationship with the Earth Shows how by healing our relationship with Nature and our sexuality we move toward healing the whole planet Nature is having sex all the time that s one of the reasons we feel so alive when we are immersed in it Sexuality is essential to the sensation of Nature in your own body of connecting to the piece of Earth closest to you your own flesh and bones Many a couple has been overcome by passion while walking in the woods or on the beach many a soul has found solace or epiphany in Nature Living in accordance with Nature depends on you being your true whole self a sexual sensual erotic fully alive human being Exploring the territory of intimacy sacred sex and emotional healing as a journey to wholeness Julie McIntyre examines the sacred relationship between sexuality and the Earth and reveals how to create deep lasting intimacy with your lover by recapturing the wild spontaneous natural sexuality that is your birthright Detailing the process of moving from your head to the secret garden of your heart she provides exercises to heal your psyche of old emotional trauma reconnect with the intuitive intelligence of the heart and cultivate a deeper relationship with the Earth in order to trust yourself and become vulnerable and open with your lover and thus truly intimate She shows how there is a direct relationship between our beliefs and values about sex and intimacy and our beliefs and values about the environment and the Earth She reveals how by healing our separation from Nature and our sexuality we can bring the sacred back into our lives shape our

own ecstatic sexual experiences and move toward healing the whole planet *Hemingway on Love* Robert W. Lewis, 2014-08-04 Love was a central theme of Ernest Hemingway's major works And although his passages on sexual love and on romantic love may be widely remembered and frequently quoted says Robert W. Lewis in this scholarly and detailed consideration Hemingway's later work revealed his ultimate belief that brotherly love was the supreme love of mankind Eros Hemingway concluded was a neutral value neither good nor bad in itself but yet capable of complementing agape in giving man pleasure By examining the forms and essences of the various kinds of love Hemingway worked out an explanation and tentative solution to the troubles of the human condition The tradition of romantic love that had prevailed in Western literature had challenged sexual love and brotherly love and had been confused with them since the Middle Ages Hemingway's early work was destructive of romantic love says Lewis the work of his middle career was crucial in his exploration for the supreme love and the means to whatever peace and happiness man may achieve By the time he wrote *The Old Man and the Sea* his ethic was formulated and he could write conclusively of the trial and lesson of love in Western civilization in a way that reflected his discovery that true love must be a reciprocal blend of eros and agape between man and woman man and man and man and his world *The Anatomy of Melancholy* Robert Burton, 1806 **The anatomy of melancholy, by Democritus iunior** Robert Burton, 1827 **The Anatomy of Melancholy ...
