They are the thoughtleaders, the high-profile professionals who rise above everyone else in their field to become the go-to experts in all forms of media. Sound bite needed for what's happening in real estate? Call Donald Trump. Personal finance questions? Get Suze Orman. What about you? Who seeks you out for opinions on trends in your specialty? Are you merely an expert in your field, or are you the expert? Do you dream of attaining higher levels of business fame and fortune? Is there a way to make that happen? The answer is Yes, if you've got *The Expert's Edge*. An action-ready program of proven success strategies, this easy-to-follow game plan can turn any level of entrepreneur into the must-have expert that prospects and media seek out before all others. You raise your profile, expand demand for your services, and increase your profits. Just follow the Five Pillars of Thoughtleading: 1. Publish articles and books. 2. Speak regularly to groups and companies. 3. Inspire with fresh thinking. 4. Attract ongoing media attention. 5. Leverage the Internet creatively. Used together, these Five Pillars offer an unbeatable strategy for positioning your business as the only one to call. Prospects and clients will think only of you when your service or product is needed. Your competitors are left struggling to catch up. No matter what you do—entrepreneur, intrapreneur, consultant, manager, or specialist—*The Expert's Edge* will elevate you to an enviable status as the go-to authority in your field.
