The Martian Six days ago astronaut Mark Watney became one of the first people to walk on Mars Now he's sure he'll be the
first person to die there After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead Mark
finds himself stranded and completely alone with no way to even signal Earth that he's alive and even if he could get word
out his supplies would be gone long before a rescue could arrive Chances are though he won't have time to starve to death
The damaged machinery unforgiving environment or plain old human error are much more likely to kill him first But Mark
isn't ready to give up yet Drawing on his ingenuity his engineering skills and a relentless dogged refusal to quit he
steadfastly confronts one seemingly insurmountable obstacle after the next Will his resourcefulness be enough to overcome
the impossible odds against him Available in a variety of formats this summary is aimed for those who want to capture the

Digest Review Astronaut Mark Watney becomes one of the first people ever to walk on Mars The question now is will he be
the first person to perish on the planet He is believed to have died in a severe dust storm while on a manned mission to Mars
The search for him is aborted and he is left behind by his crew members when they escape Mars and return to Earth
However Watney survives the storm but finds himself on his own and abandoned on the harsh planet He needs to let people
on Earth know that he is alive if he is to be rescued and to do this he will need to apply his mind and draw on all available
resources He may be left with inadequate provisions but he does have a strong will to stay alive With this digest companion
