industrial Northeast and following them up through the transcontinental suburban present But Haner is by no means a passive historian of the game he is the coach of the Hornets a rag tag team of ten nine year old boys and one determined little girl Haner provides us with an intimate view of his team s struggles and successes over the course of season and of his own transformation from reluctant soccer dad to authentic soccerhead Seamlessly weaving personal and historical narrative threads Soccerhead is both an enticing memoir and a cultural inquiry of the first order enlightening entertaining and informative shedding new light on a little known chapter of American history **The Soccer Diaries** Michael J
