It is a love story, the story of Maximiliano and Dolores's lifelong passionate love for one another, anchored firmly in a world where love stories are larger than life, where desires are shamelessly hot, where male pride is fierce, and family loyalty sacred. Bernardo's original and spellbinding novel explores three generations of love and passion, forbidden kisses, and enduring family pride. The *Secret of the Bulls* is an epic, lusty novel, sometimes comic, sometimes tragic, a novel that seeks to understand the psychology of machismo in a culture steeped in both tradition and tragedy. *New York*, 1996-04 **Ethnic American Literature** Emmanuel S. Nelson, 2015-02-17 Unlike any other book of its kind, this volume celebrates published works from a broad range of American ethnic groups not often featured in the typical canon of literature. This culturally rich encyclopedia contains 160 alphabetically arranged entries on African American, Asian American, Latino, and Native American literary traditions, among others. The book introduces the uniquely American mosaic of multicultural literature by chronicling the achievements of American writers of non-European descent and highlighting the ethnic diversity of works from the colonial era to the present. The work features engaging topics like the civil rights movement, bilingualism, assimilation, and border narratives. Entries provide historical overviews of literary periods, along with profiles of major authors and great works, including Toni Morrison, Maxine Hong Kingston, Maya Angelou, Sherman Alexie, *A Raisin in the Sun*, *American Born Chinese*, and *The House on Mango Street*. The book also provides concise overviews of genres not often featured in textbooks, like the Chinese American novel, African American young adult literature, Mexican American autobiography, and Cuban American poetry. *Cuban American Fiction in English* Delores M. Carlito, 2005-05-25 This bibliography contains listings and annotations of all novels, anthologies, and short story collections written by the first, 1.5, and second generations of Cuban Americans. This work also contains listings and annotations of all secondary works dealing with this fiction. **New Vintage Type** Steven Heller, Gail Anderson, 2007 Choose, use, and understand great vintage type with this authoritative guide.
