World of Warcraft: the Shattering - Prelude to Cataclysm Christie Golden, 2023-03-14 **World of Warcraft: Stormrage** Richard A. Knaak, 2010-02-23 When the world of Azeroth was young the god like titans brought order to it by reshaping its lands and seas Throughout their great work they followed a magnificent design for what they envisioned Azeroth would become Although the titans departed Azeroth long ago that design endures to this day It is known as the Emerald Dream a lush and savagely primal version of the WORLD OF WARCRAFT Many are the mysteries surrounding the Emerald Dream and its reclusive guardians the green dragonflight In times past druids have entered the Dream to monitor the ebb and flow of life on Azeroth in their never ending quest to maintain the delicate balance of nature However not all dreams are pleasant ones Recently the Emerald Nightmare an area of corruption within the Emerald Dream began growing in size transforming the Dream into a realm of unimaginable horror Green dragons have been unexpectedly caught up in the Nightmare emerging from it with shattered minds and twisted bodies Druids who have entered the darkening Dream lately have found it difficult sometimes even impossible to escape Nor are these the Nightmare s only victims more and more people are being affected Even Malfurion Stormrage first and foremost of the druids on Azeroth may have fallen victim to this growing threat As uncontrollable nightmares spread across the world a desperate quest begins to find and free the archdruid Soon nature s enemies will learn the true meaning of the name STORMRAGE *World of Warcraft: The Shattering* Christie Golden, 2011 While Thrall seeks answers to the erratic behavior of the elemental spirits King Varian Wrynn of Stormwind considers violent action to resolve the tensions between the Alliance and the Horde **World of Warcraft: The Shattering** Christie Golden, 2010-10-19 In the New York Times bestselling tie in to the World of Warcraft game expansion Cataclysm Thrall wise shaman and the warchief of the Horde senses a disturbing change Long ago Azeroth s destructive native elementals raged across the world until the benevolent titans imprisoned them within the Elemental Plane Despite the titans intervention many elementals have ended up back on Azeroth Over the ages shamans like Thrall have communed with these spirits and through patience and dedication learned to soothe roaring infernos bring rain to sun scorched lands and otherwise temper the elementals ruinous influence on the world of Azeroth Now Thrall has discovered that the elementals no longer heed the shaman s call While he seeks answers to what ails the confused elements he also wrestles with the orcs precarious future as his people face dwindling supplies and growing hostility with their night elf neighbors The fate of Azeroth s great races is shrouded in a fog of uncertainty and the erratic behavior of the elemental spirits troubling though it is may only be the first ominous warning sign of the cataclysm to come , **World of Warcraft: Paragons** Blizzard Entertainment, 2014-03-31 Though their soldiers form a unified front on the battlefield both the Alliance and the Horde include diverse races and nations within their ranks Each of those nations has at its helm a leader of heroism and legend Their actions and decisions shape Azeroth and forge its destiny They inspire loyalty and loathing

fervor and fear sometimes all from their own people What do these heroes do when faced with conflict and strife How do they handle the tremendous responsibility of guiding their armies and citizens on the front line and at home In this anthology of sixteen short stories each champion finds his or her own answers to these questions Read their tales and learn what makes them who they are today learn what makes them paragons 2014 Blizzard Entertainment Inc All Rights Reserved Blizzard Entertainment and World of Warcraft are trademarks or registered trademarks of Blizzard Entertainment Inc in the U S and or other countries
