**Modern English Paraphrases** Gerard Manley Hopkins, Donald Walhout, 1995 Dr Walhout writes of his first series of  
 Hopkins paraphrases that it contained twenty of his most difficult poems This second series includes all of the remaining  
 early poetry and unfinished poetry from Hopkin s major poetic period It is designed to reduce the difficulty in understanding  
 the poems by offering complete paraphrases The purpose is somewhat similar to that of giving a modern version of the Bible  
 compared with say the King James Version My first series of Hopkins paraphrases contains twenty of the most difficult poems  
 This second series includes all of the remaining poems from Hopkins s major poetic period beginning with The Wreck of the  
 Deutschland in 1875 which was a turning point both in his decision to write poetry and in his distinctive style The occasional  
 poems though not ranking high in Hopkins s own estimation are included here because they reflect the distinctive style  
 Hopkins produced other poetical work which is usually classified into early poetry and unfinished poetry The early poetry  
 seems less urgent for paraphrasing As for the unfinished poems it may seem presumptuous to paraphrase poems which  
 Hopkins himself did not perfect Neverthe *Poems of Gerard Manley Hopkins* Gerard Manley Hopkins, 1933 **Poems by**
