**Romance of the Forest** Ann Radcliffe, 2017-02-17 The Romance of the Forest is a Gothic novel by Ann Radcliffe that was first published in 1791. It combines an air of mystery and suspense with an examination of the tension between hedonism and morality. The novel was her first major popular success, going through four editions in its first three years. Furthermore, this novel also established her reputation as the first among her era's writers of romance. There is surprisingly little essential difference in characterization, Gothic decor, or plot outline to distinguish this novel from its predecessors. Its superior merit lies in the expansive and subtle use which the author makes of these elements so that the characters are relatively well realized. The Gothic decor is blended into the sensibility of the reader rather than imposed upon it, and the plot is an intricate and often dramatic series of congruent incidents and living tableaux, not a congeries of barely related and stillborn scenes and surprises. Most critics who have given any attention to Mrs Radcliffe as a novelist have decided that she is important chiefly for her use of the supernatural and for her emphasis upon landscape. *The Romance of the Forest* Ann Ward

**The Romance of the Forest** Ann Radcliffe, 2023-09-12 A timeless gothic romance of mystery, danger, and suspense. This horror classic examines the tensions between hedonism and honour through Ann Radcliffe's masterfully atmospheric prose. First published in 1791, this captivating novel is set against the background of the isolated French countryside while the shadow of the country's ongoing revolution looms. When virtuous Adeline is forced to seek refuge in the depths of the forest with Monsieur Pierre de la Motte, his wife, and his two servants, the group find themselves hiding in the ruins of an abandoned abbey. Soon they suspect they might not be alone as storms shroud the sky and entangled tales of forbidden love and law evasion echo through the eerie halls. This volume is part of the Mothers of the Macabre series, celebrating the gothic horror masterpieces of pioneering women writers who played a pivotal role in shaping and advancing the genre. With its vivid descriptions, atmospheric settings, and compelling characters, *The Romance of the Forest* exemplifies why Radcliffe remains a prolific influence in the gothic genre. **The romance of the forest. 2** Ann Radcliffe, 1974 *The Romance of the Forest*
