The Seduction Of Christianity By Dave Hunt:

The Seduction of Christianity Dave Hunt, T. A. McMahon, 2013-05-01 The Bible clearly states that a great apostasy must occur before Christ's Second Coming. Christians today are being deceived by a worldview that is more subtle and seductive than any before. We will look at some of the dangers in the growing acceptance and practice of Positive and possibility thinking, Healing of memories, Self help philosophies, Holistic medicine. This seduction of Christianity will not appear as a frontal assault or oppression of our religious beliefs. Instead it will come as the latest fashionable philosophies that will promise to make us happier, healthier, better educated and even more spiritual. A compelling look at the times in which we live and a clear call to every believer to choose between the original and the counterfeit. Only then can we hope to escape the seduction of Christianity. **What's Wrong with Dave Hunt's The Seduction of Christianity?** R. E. Knodel, 1988

Beyond Seduction Dave Hunt, 1987 A revolution has begun. Some have hailed this revolution as a much needed purification of the Church. Others say that it will lead to a major schism in Christianity. Since the release of the bestselling *THE SEDUCTION OF CHRISTIANITY*, Christians everywhere have come face to face with this undeniable truth: we must be certain that what we believe is firmly based upon the teaching of God's Word. The only real remedy for deception and apostasy is a return to a true biblical foundation for Christian living. Hunt's book sounds the call for a return to the sacrificial life that Christ required and the abundant life He offers. *Communion with God* Mark Virkler, Patti Virkler, 1990-12

Walking This Walk Brad Erlandson, 2007-03 In the course of telling his life story, Erlandson urges readers to examine their own faith and doctrine, drawing upon the book of Job and Paul's prison epistles as well as works by prominent Christian writers. Erlandson shares his own struggles in the face of calamity, having been struck by a drunk driver in 2002, resulting in the spinal cord injury which left him in a wheelchair. **Practical Life** **A Different Gospel** Dan R. McConnell, 2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical, but is it? In this compelling book, McConnell documents the historical link between faith theology and New Thought metaphysics. He then analyzes faith theology's doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching. This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell. Softcover from Hendrickson. *David Yonggi Cho* Wonsuk Ma, 2017-11-29 This book is a serious attempt by Asian scholars to reflect on various aspects of the Asian Pentecostal movement. It joins a small but growing list of works on this critical subject. Second, it presents an Asian perspective on one of the most important figures in Asian Pentecostalism in this generation: Dr. David Yonggi Cho, who clearly stands out as one of the most preeminent Pentecostals anywhere in the world. *Restoring God's Treasure* Paul England, 2016-04-25 Pastor and teacher Paul England has written a book that offers hope for every lost sheep and prodigal by providing a fresh revelation of the heart of God toward those who have ever strayed from Him. Here is a practical guide of instruction for pastors and church leaders that will equip them to fulfill their role as shepherds to those who

oversee and care for God's sheep It also provides hope for every parent who has ever fostered a prodigal child Legalism and the Sins of the Church L. Roger Sockwell,2002 The Unicorn In The Sanctuary Randy England,1992-03 Shows how New Age principles have infiltrated the Catholic Church being a combination of humanism paganism self deification Satanism and witchcraft a far more dangerous movement than it appears This is the first full length study of the impact of the New Age Movement on Catholicism Clear and down to earth Tells what it is what is wrong with it where it came from and what to do about it Very revealing **Psychology as Religion** Paul C. Vitz,1994 This is a virtually rewritten second edition of New York University Professor Paul Vitz's profoundly important analysis of modern psychology Vitz maintains that psychology in our day has become a religion a secular cult of self and has become part of the problem of modern life rather than part of its resolution The Oxford Handbook of Evangelical Theology Gerald R. McDermott,2013-12 This volume surveys the state of the discipline on topics of greatest importance to evangelical theology The authors critically assess the state of the question from both classical and evangelical traditions and propose a future direction for evangelical thinking on the subject R sum de l diteur **Hypnosis Healing and the Christian** John Court,2002-06-04 Hypnosis is a controversial practice with many myths about its power and dangers Hypnosis Healing and the Christian cuts through the confusion to present a balanced defense of the use of hypnosis by Christians arguing that it is a powerful tool in bringing about psychological change John Court avoids minimizing the dangers of this powerful phenomenon as he discusses examples of clinical hypnosis by Christians who have found emotional and spiritual benefits from its use Setting ethical concerns about the use of hypnosis firmly within a framework of the biblical material he argues that hypnosis is a morally neutral technique which may be used for good or ill Its use by pagan and other religions should not prevent its constructive and godly use by Christians This stimulating book will be of interest not only to those involved in counseling and healing ministries but also to Christians interested in broader understanding of how our human minds work **Unmasking the New Age** Douglas Groothuis,1986-01-24 Douglas Groothuis explains what the New Age movement is analyzes its major doctrines and shows how it is influencing politics science health care and education **The Big(ger) Picture** Marshall Wood,2014-06-03 Whatever God does it shall be forever Nothing can be added to it or taken from it Eccles 3 14 15 NKJV The Big ger Picture is a call for Christians everywhere to choose the Word of God as their only basis for Christian living Author Marshall M Wood warns the church not to be duped by so called new doctrines but to live the way the Bible instructs because God's Word never changes This clarion call to a dedicated Christian life will show you Why apostasy is running rampant in the church today How to recognize it using God's Word What you can do to renew your commitment to the Lord Wood reminds us that as Christians we must make a choice We cannot live in both worlds he states It is one or the other How will you choose Yoga- The Secret Keys Under The Mat Paul Rupesh,2020-12-15 Is yoga healing you or wrecking the entire world beyond repair Is yoga a path towards a healthy body or a manufactured industry of lies deceits and Billions in billings Is a spiritual
