The Spindlers By Lauren Oliver:

The Spindlers Lauren Oliver, 2012-09-13 An enchanting delightfully creepy adventure for children aged 8-12 from bestselling author Lauren Oliver. One day when Liza went to bed, Patrick was her chubby stubby sweet grubbing and pancake loving younger brother who irritated and amused her both, and the next morning when she woke up, he was not. In fact, he was quite quite different. When Liza's brother Patrick changes overnight, Liza knows exactly what has happened: the spindlers have got to him and stolen his soul. She knows too that she is the only one who can save him. To rescue Patrick, Liza must go below armed with little more than her wits and a broom. There she uncovers a vast world populated with talking rats, music loving moles, greedy troglods, and overexcitable nids, as well as strange monsters and terrible dangers. But she will face her greatest challenge at the spindlers' nests where she encounters the evil Queen and must pass a series of deadly tests, or else her soul too will remain below forever.

Panic Lauren Oliver, 2014-03-06 Soon to be a major Amazon Prime Video series. An utterly gripping thriller from bestselling author Lauren Oliver. *Panic* began as so many things do in Carp, a poor town of twelve thousand people in the middle of nowhere because it was summer and there was nothing else to do. Heather never thought she would compete in *Panic*, a legendary game played by graduating seniors where the stakes are high and the payoff is even higher. She'd never thought of herself as fearless, the kind of person who would fight to stand out. But when she finds something and someone to fight for, she will discover that she is braver than she ever thought. Dodge has never been afraid of *Panic*. His secret will fuel him and get him all the way through the game; he's sure of it. But what he doesn't know is that he's not the only one with a secret. Everyone has something to play for. For Heather and Dodge, the game will bring new alliances, unexpected revelations, and the possibility of first love for each of them, and the knowledge that sometimes the very things we fear are those we need the most. In this gritty spellbinding novel, bestselling author Lauren Oliver delivers a gripping narrative of friendship, courage, survival, and hope.

Vanishing Girls Lauren Oliver, 2015-03-12 Dara and Nick used to be inseparable, but that was before the accident that left Dara's beautiful face scarred and the two sisters totally estranged. When Dara vanishes on her birthday, Nick thinks Dara is just playing around. But another girl, nine-year-old Madeline Snow, has vanished too, and Nick becomes increasingly convinced that the two disappearances are linked. Now Nick has to find her sister before it's too late. In this edgy and compelling novel, Lauren Oliver creates a world of intrigue, loss, and suspicion as two sisters search to find themselves and each other.
