Astrology Of The Seers A Guide To Vedic Or Hindu Astrology:

The Astrology of Seers David Frawley, 1992-01-01 Astrology of the Seers is a clear yet comprehensive presentation of Vedic astrology and makes this difficult to understand subject clear practical and relevant it reveals the deeper implications of the Vedic system in sections on astrology as a spiritual science astrology and psychology astrology and yoga Of special interest the book explains the cycle of the world ages yugas showing the Vedic view of human history and the connection of our solar system with galactic sources of energy Thirty two example charts of all types are explained including those of many spiritual teachers covering all the main aspects of its philosophy background and practice including chart interpretation and methods of balancing planetary influences such as mantra and gem therapy The present edition has been thoroughly revised and updated

Astrology of the Seers David Frawley, 2000 This expanded updated edition is a gateway to the cosmic wisdom of India s ancient sages *Wisdom of the Ancient Seers* David Frawley, 2019-01-01 The Rig Veda is not only one of the oldest sacred scriptures of the world but also one of the most misunderstood Past scholarship has dismissed the hymns of the Rig Veda as being expressions of a primitive animistic mentality that only rarely rose to true spiritual and philosophical heights David Frawley s book demonstrates that this judgmental view is ill founded His fine renderings of select Vedic hymns bear witness to the fact that their composers were sages and seers powerful poets who knew the art of symbolic and metaphoric communication The Vedic hymns give us a unique glimpse not into a primitive mentality but a mentality and culture that revolved around the highest spiritual values and visions This is an important and riveting book ushering in a new and sounder tradition of Vedic interpretation and scholarship Georg Feuerstein *Ayurvedic Astrology* David

Frawley, 2007-01-01 Ayurvedic Medicine represents the healing branch of yogic science while Vedic astrology provides its understanding of time and karma Ayurvedic Astrology teaches the interface of these two extraordinary systems in the Vedic astrology of healing The book explains how the different mind body and planetary types of the two systems interrelate It examines disease factors from an astrological perspective and goes into depth into astrological remedial measures particularly gem therapy It also contains many notable example charts *Astrology and Cosmology in the World's Religions* Nicholas Campion, 2023-11-21 An ambitious examination of cosmologies and astrologies from around the world The diversity of cultures Campion includes is impressive Jacqueline Feke History of Astronomy When you think of astrology you may think of the horoscope section in your local paper or of Nancy Reagan s consultations with an astrologer in the White House in the 1980s Yet almost every religion uses some form of astrology some way of thinking about the sun moon stars and planets and how they hold significance for human lives on earth Astrology and Cosmology in the World s Religions offers an accessible overview of the astrologies of the world s religions placing them into context within theories of how the wider universe came into being and operates Campion traces beliefs about the heavens among peoples ranging from ancient Egypt and China to Australia and Polynesia and India and the Islamic world Addressing each religion in a separate chapter Campion outlines how

by observing the celestial bodies people have engaged with the divine managed the future and attempted to understand events here on earth This fascinating text offers a unique way to delve into comparative religions and will also appeal to those intrigued by New Age topics Unlike most students of astrology Campion transcends the limitations of Western tradition to examine the nature and roles of astrological and cosmological concepts in cultures from all continents His examples provide original insights into how cosmologies shape these cultures artistic intellectual and religious activities Stephen McCluskey West Virginia University
