The book is based on a father William Johnson and his two sons John and Bobby Johnson. William, John, and Bobby just recently lost the matriarch of the family William's wife and John and Bobby's mother. The setting is on the West Side of Detroit, Michigan. The father and sons own a family restaurant that has been in business for forty-five years. Things begin to change when Bobby, who is the youngest son, becomes involved with drugs, some ruthless individuals, and money. Valuables in the home and business become missing. William feels he has tried to rear both young men into respectable individuals. He taught them to reverence God and never compromise their dignity and accountability. This book will help individuals to understand how depending on God can get you through trials, tribulations, and downfalls. This book will teach you to rise above your circumstances and fulfill your goals and desires. This book will also help loved ones who are struggling with substance abuse and mental illness. **Raising**

**Children in Blended Families** Maxine Marsolini, A realistic and forthright resource. This practical guide for parents of blended families helps adults understand their children's feelings and cope with arising difficulties. **Summary of Alan Cumming's Not My Father's Son** Everest Media, 2022-03-04T22:59:00Z. Please note: This is a companion version, not the original book. Sample Book Insights: 1. I had a haircut at school after which my father began teaching me basic chores such as bringing wood and coal in for the fire, starting the fire, and setting the table. I felt a bit safer after that. 2. I had to hide the fact that I was looking for my father. I didn't want him to know that I was afraid of him. 3. I had to get away from him. His anger was terrifying. I was being dragged all over the house from the kitchen to the shed where we kept our bikes. 4. I was so hysterical when my father cut my hair that I wanted to die. I cried all night, and the next morning my eyes were so red and puffy they were almost closed. I told my teachers I had knocked over a jar of creosote and some had gone in my eyes.

*From My Father's Hands to My Father's Hands* Paula Ann McDonald, 2012-03-07. For the first two years of her life she feels love, but suddenly her protector is gone. She's too young to even know her mother is gone. From the innocence of childhood to the growing sickness and abuse in her life, she is confused and full of fear. How will she ever make it when there is no time to wonder, only time to survive? She wants to be the good little girl and please her family; she wants to be loved. She wants to be right with God. The confusion, pain, and abuse are unbearable. The family sickness is more than one can comprehend. What she is asked to do is impossible for the sake of her siblings; she MUST do it, but is she strong enough? Walk

**Lacan in the End Times** Rob Weatherill,2022-09-21 This book explores themes around the Father His absence in modern society and the decline of mental health The nature of this decline can be uniquely psychoanalytically theorised in both the corresponding ferocity of the internal object and exposure to the Real The first part of this book underlines what psychoanalysis and psi sciences continue to overlook who now provides what Lacan called the narrow footbridge between anxiety and death What terror ism must replace the father How can reality be stabilised once more The second part follows the atomised world as it turns towards extremism and utopian dreams in Ireland via Hanaghan s radical psychoanalysis in Levinasian ethics in Gnostic belief in an evil world and in the clinic of the death drive The conclusion turns finally to the God beyond God and the overwhelming evidence for God s presence in the world Lacan in the End Times will be of interest to psychoanalysts psychotherapists counsellors social workers and scholars in critical theory philosophy cultural theory literary theory and theology      **Joel and the Egyptian Cat** David L.
