A Healthy Spirit Lo Mallory, 2006-06 A Christian cancer survivor authors the book that she searched for during her treatment and recovery. It is a treasure of resources and uplifting Scripture, an inspirational reference for patients and caregivers. *Practical Life* **Healing with Spiritual Practices** Thomas G. Plante Ph.D., 2018-06-21 This interdisciplinary study details spiritual approaches including meditation and yoga shown to be helpful in improving physical and psychological well-being. Whether a person suffers from a psychological or physical malady such as depression, addictions, chronic pain, cancer, or complications from pregnancy, the best practice treatments likely include one common thread: spiritual practice. From meditation and yoga to spiritual surrender and religious rituals, spiritual practices are increasingly being recognized as physically and mentally beneficial for recovering from illness and for retaining optimal health. *Healing with Spiritual Practices: Proven Techniques for Disorders from Addictions and Anxiety to Cancer and Chronic Pain* edited by the director of one of the nation's best known university institutes of spirituality and health explains current and emerging practices, their benefits, and the growing body of research that proves them effective. Comprising chapters from expert contributors, this book will appeal to students, scholars, and other readers interested in psychology, medicine, nursing, social work, pastoral care, and related disciplines. *Books Out Loud*, 2004 *Handbook of Religion and Health* Harold Koenig, Dana King, Verna B. This book offers practical support and magical advice from a pagan point of view to help those with cancer and other chronic conditions. *Witching through Cancer*. In October 2019, Jess Settergren received some life-altering news: she had breast cancer. Despite living in a world where breast cancer awareness is highly visible and offers a great deal of support, she found herself uniquely alone as none of the options for patients and survivors featured a pagan perspective. With *Defying Shadows*, Settergren fills the gap for pagan and witch-friendly cancer support. Within its pages, you will find gentle, easy ways to perform spells, meditations for wellness, and low-energy rituals for every sabbat.
