Excerpt from *A Short History of Russian Literature* The period of the greatest activity of the two brothers was during their residence in Moravia The Moravian princes seeing that the people were unable to apprehend even the elementary truths of Christianity addressed them selves to the Byzantine Emperor Michael who selected Cyril for the purpose The success of the Slavonic mission in Moravia aroused and alarmed the German Hierarchy which dreading the loss of its influence on the Moravians impugned these first missionaries before Pope Nicholas I The Pope summoned the brothers to Rome for trial but it was his successor Adrian II who heard them and so far from letting them be tried made Methodius a Bishop and sent him to Moravia where he lived for sixteen years more Cyril worn out with toil died at Rome About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
