A Lorton Prison Project:

A Lorton Prison Project Carolyn Williams, 2013-11 This story captures the insight of a bright intuitively smart young man who grew up in the low income housing projects of Southeast Washington D C our nation s capital city His name was Jimmy Black Blango or better known as JB He lived in the Barry Farms Housing projects at the height of a glorified drug market in the midst of a culture of the celebrated thug life gang violence and mob style crime Aside from all that it was a known fact that gang bangers pledged allegiance to serving time in jail Even JB got caught up in an operation clean sweep on the streets of Washington D C and was sent down to Lorton to serve his time From there his status on the streets of Washington D C were upgraded to include street credits i e the status of lieutenant for serving a stretch at what was once called the most notorious prison on the East Coast the Lorton Correctional Complex Now that the prison was mandated by federal law to shut down the criminal element on the outside decided to bring their drug enterprise on the inside This in an effort to establish networks that reached beyond the District and extended to all points targeted south Yet due to the pending closure of the Lorton Complex and the greed amongst thieves backstabbing gangbangers cold blooded killers malicious cutthroat staffers etc caused the whole scam to blow up At the end of the day a nefarious culmination of unsavory conduct caused many elements of the Lorton Complex to suffer its unfortunate demise The National Prison Project Journal ,1990
