A Guide To Zorro Collectibles

James Kuhoric

A Guide To Zorro Collectibles:

A Guide to Zorro Collectibles Rochelle Dubrow, 2008-07-01 Fifty years ago Walt Disney used his magic touch to bring Zorro to the small screen. The innovative advertising campaign including a massive amount of merchandise not only helped popularize the show but helped make it an instant success. Today these once worshipped costumes, books, clothing, toys, photos, and advertising pieces have once again found favor in the hearts of collectors. The new edition of *A Guide to Zorro Collectibles* from the Fifties and Sixties includes a closer look at the television show and its merchandising and advertising. This addition also provides an updated pricing guide for the various products merchandised by Disney. **A Guide to Zorro**

Collectibles from the Fifties and Sixties Rochelle Dubrow, 2005-07-01 The values presented in this book are guides to the value of Zorro collectable. The values were derived by reviewing auction results, prices in antique stores, and on line sites, and from discussions with other knowledgeable collectors. The values provided in this book are estimates for items in good condition through near mint condition. Since parents in the 50s and 60s bought these items for their children to play with, Zorro items from these eras are rarely found in mint condition. Rochelle Dubrow's interest in Zorro collectables started when she first saw the Walt Disney Zorro television program. She begged her parents to buy her anything and everything related to Zorro. As she grew to adulthood, her fascination with Zorro never faded. About ten years ago she started to focus her extensive Zorro collection on 1950s and 1960s items. In the last few years, her collecting interest has broadened out to learn more about Zorro merchandise and the original Walt Disney television program. This book features a foreword written by Britt Lomand, who played the evil villain Captain Monastario from the Walt Disney Zorro series. *Mark of Zorro: 100 Years of the*

Masked Avenger Art Book James Kuhoric, 2019-10-21 Celebrate Zorro's centennial with a massive collector's tome of riches including rare art from Zorro pulp publications, film, television, comics, animation, and pop culture. *The Mark of Zorro 100 Years of the Masked Avenger* is a beautifully crafted love letter to the storied history of one of the most enduring heroes ever to grace popular culture. Zorro rides again with a wonderful collected edition celebrating the rich history and current exploits of Johnston McCulley's iconic hero.
