A History Of Modern Israel

Derek Penslar

A History Of Modern Israel:

A History of Modern Israel Colin Shindler, 2013-03-25 Colin Shindler's remarkable history begins in 1948 as waves of immigrants arrived in Israel from war-torn Europe to establish new cities, new institutions and a new culture founded on the Hebrew language. Optimistic beginnings were soon replaced with the sobering reality of wars with Arab neighbours, internal ideological differences and ongoing confrontation with the Palestinians. In this updated edition, Shindler covers the significant developments of the last decade, including the rise of the Israeli far right, Hamas's takeover and the political rivalry between Gaza and the West Bank, Israel's uneasy dealings with the new administration in the United States, political Islam and the potential impact of the Arab Spring on the region as a whole. This sympathetic yet candid portrayal asks how a nation that emerged out of the ashes of the Holocaust and was the admiration of the world is now perceived by many Western governments in a less than benevolent light.

A History of Modern Israel Colin Shindler, 2013-03-25 Colin Shindler's remarkable history begins in 1948 as waves of immigrants arrived in Israel from war-torn Europe to establish new cities, new institutions and a new culture founded on the Hebrew language. Optimistic beginnings were soon replaced with the sobering reality of wars with Arab neighbours, internal ideological differences and ongoing confrontation with the Palestinians. In this updated edition, Shindler covers the significant developments of the last decade, including the rise of the Israeli far right, Hamas's takeover and the political rivalry between Gaza and the West Bank, Israel's uneasy dealings with the new administration in the United States, political Islam and the potential impact of the Arab Spring on the region as a whole. This sympathetic yet candid portrayal asks how a nation that emerged out of the ashes of the Holocaust and was the admiration of the world is now perceived by many Western governments in a less than benevolent light.

A History of Modern Palestine Ilan Pappé, 2004 Ilan Pappé writes the story of Palestine, a land inhabited by two peoples. It begins with the Ottomans in the early 1800s and traces a path through the arrival of the early Zionists at the end of that century, through the British mandate at the beginning of the twentieth century, the establishment of the state of Israel in 1948 and the subsequent wars and conflicts which culminated in the intifadas of 1987 and 2000. While these events provide the background to the narrative and explain the construction of Zionist and Palestinian nationalism, at centre stage are those who lived through these times: men, women and children, Jews and Arabs. It is a story of coexistence as well as oppression, occupation and exile. Ilan Pappé is well known as a revisionist historian of Israel. Lucid and typically forthright, his account is a unique contribution to the history of this troubled land.

Return to Zion Eric Gartman, 2015 The history of modern Israel is a story of ambition, violence and survival. *Return to Zion* traces how a scattered and stateless people reconstituted themselves in their traditional homeland only to face threats by those who during the many years of the dispersion had come to regard the land as their home. This is a story of the ingathering of the exiles from Europe to an outpost on the fringes of the Ottoman Empire, of courage and perseverance and of reinvention and tragedy. Eric Gartman focuses on two main themes of modern Israel: reconstitution and

survival Even as new settlers built their state they faced constant challenges from hostile neighbors and divided support from foreign governments as well as being attacked by larger armies no fewer than three times during the first twenty five years of Israel s history Focusing on a land torn by turmoil Return to Zion is the story of Israel the fight for independence through the Israeli Independence War in 1948 the Six Day War of 1967 and the near collapse of the Israeli Army during the 1973 Yom Kippur War Garton examines the roles of the leading figures of modern Israel Theodor Herzl Chaim Weizmann David Ben Gurion Golda Meir Moshe Dayan Yitzhak Rabin and Ariel Sharon alongside popular perceptions of events as they unfolded in the post World War II decades He presents declassified CIA White House and U S State Department documents that detail America s involvement in the 1967 and 1973 wars as well as proof that the Israeli attack on the USS Liberty was a case of mistaken identity Return to Zion pulls together the myriad threads of this history from inside and out to create a seamless look into modern Israel s truest self

A History of Modern Palestine Ilan Pappé, 2022-05-12 Now in an updated and expanded third edition this is a widely acclaimed history of Palestine centred on the experiences of everyday Palestinians

Ancient and Modern Israel Ira Sharkansky, 2012-02-01 This book identifies and examines those parallels between ancient and modern Israel that help to clarify the conflicts apparent in modern Israel It discusses such contemporary issues as the Arab uprising and the Israeli government s ambivalence in dealing with it the government s inability to come to a permanent solution concerning the territories occupied in 1967 and the lack of a clear cut consensus in the 1988 elections By comparing these and other modern issues to those of ancient Israel Sharkansky shows that Israel s deeply rooted problems as a nation are likely to continue occasionally punctuated by violent outbursts

A History of the Israeli Army: 1874 to the Present Ze'ev Schiff, 2024-05-23 It is virtually impossible to understand Israel or the Middle East without understanding Israel s military history and its security needs There are many books that attempt to provide such a history but Ze ev Schiff s concise History of the Israeli Army is unquestionably the most successful he writes with great objectivity and probes issues that most Israeli military writers prefer to dodge Mr Schiff s ability to come to grips with the fact that both Israel and the Arab states bordering it used tactics the other side regards as terrorism and continue to use them is matched by his skill in summarizing the causes course and outcome of the large scale Arab Israeli conflicts in 1956 1967 and 1973 and the war of attrition in 1969 70 Mr Schiff provides an excellent summary of the political and military forces that shaped Israel s behavior in each war He neither justifies nor excuses Israel s behavior and he does not justify or excuse Israel s motives and goals he is content to explain them He also explains the factors that shaped Arab behavior and gives the causes of Arab defeats without editorializing Mr Schiff avoids technical issues tactics and the details of battles he focuses on the main flow of events He provides a short history of the major events shaping Israel s military forces and strategy before and during each war His descriptions of military events flow naturally out of his accounts of political motives and strategy His chapter on doctrine ties together the histories of the different conflicts and it should be read by anyone who feels Israel somehow has caused most of

its wars His chapter on the 1982 war in Lebanon is the most incisive reporting yet done on that event a model of how good defense reporting can be when it looks beyond the day to day flow of events and searches out the underlying pattern of military conflict and its causes Mr Schiff presents the war as one in which Mr Sharon then Israel s Minister of Defense snatched defeat from the jaws of victory Mr Schiff s treatment of Mr Sharon and the P L O s high command is devastating it adds up to one of the best arguments against violence as a solution to the problems of the Middle East ever written In short Mr Schiff has written a history that any historian or political or military analyst must envy The New York Times A story concisely and clearly told Schiff s ability to deal with Israeli military matters accurately and analytically is in evidence as usual This is a good introduction to the subject and well written Middle East Journal I f one does not have a basic book on the Israeli Army this is one of the best Military Affairs **Israel, Jordan, and Palestine** Asher Susser,2012 An astute assessment of the relationship between Israel Jordan and the Palestinians with scenarios for the future of Palestinian statehood **What is Modern Israel?** Yakov M. Rabkin,2016-05-20 Few countries provoke as much passion and controversy as Israel What is Modern Israel convincingly demonstrates that its founding ideology Zionism is anything but a simple reaction to antisemitism Dispelling the notion that every Jew is a Zionist and therefore a natural advocate for the state of Israel Yakov Rabkin points to the Protestant roots of Zionism in order to explain the particular support Israel musters in the United States Drawing on many overlooked pages of history including English French Hebrew Yiddish and Russian sources Yakov Rabkin shows that Zionism was conceived as a sharp break with Judaism and Jewish continuity Israel s past and present must be seen in the context of European ethnic nationalism colonial expansion and geopolitical interests rather than as an incarnation of Biblical prophecies or a culmination of Jewish history **Drama and Ideology in Modern Israel** Glenda Abramson,1998-09-10 A large number of political plays have been written in Israel over the past fifty years and they are perceived by audiences and critics alike as major interventions in the country s ongoing political debates the result is that Israeli drama is at the centre of many public controversies In this first full length study of Israeli political drama Glenda Abramson shows that during the early years of the State of Israel most of its intellectuals were identified with the official state interpretation of Zionism After the Six Day War in 1967 an influential group of playwrights concerned with the evolution of Zionist ideology in the modern nation state began to question the ethical basis of Zionism Hanokh Levin Yehoshua Sobol Yosef Mundi Miriam Kainy Amos Kenan and others have gone on to examine Zionism as it affects contemporary Israeli society **The Establishment of the State of Israel, Updated Edition** Louise Slavicek,2021-09-01 The State of Israel was born on May 14 1948 in the city of Tel Aviv in what was then officially known as Palestine The new Jewish state was founded 2 000 years after Palestine s Roman conquerors exiled the Jews from the land they had once ruled as the Kingdom of Israel and less than 50 years after Jewish immigrants began returning to their ancient homeland as part of the Zionist movement Within hours of Israel s establishment armies of the five neighboring Arab countries had already begun

assembling along the new nation's borders The next morning Egyptian Jordanian Syrian Iraqi and Lebanese troops invaded launching the first in a series of conflicts between Israel and its Arab neighbors Illustrated with full color and black and white photographs and accompanied by a chronology bibliography and further resources The Establishment of the State of Israel Updated Edition explains how this conflict has affected the history of the region and the Middle East peace process Historical spotlights and excerpts from primary source documents are also included

Philosophy and Practice in Writing a History of Ancient Israel Megan Bishop Moore, 2009-07-01 An examination of current methodologies for writing Israel's history

The Modern Israeli and Palestinian Diasporas Nahum Karlinsky, 2024-12-17 A comparative study of contemporary Israeli and Palestinian diasporas Exilic and diasporic experience have become ubiquitous in recent decades Jews lacking a homeland spread to various parts of the world making the Jewish diaspora paradigmatic But after the establishment of Israel in 1948 a different kind of diaspora emerged as more than a tenth of Israeli citizens have chosen to leave their newly established state and resettle Meanwhile about half of all Palestinians including Palestinian citizens of Israel now reside in exile predominantly as a result of the ongoing Palestinian Israeli conflict Recognizing that Israeli Jewish and Palestinian Arab societies coexist and are engaged in constant relations Nahum Karlinsky has assembled an impressive array of contributors to explore these diasporas alongside one another and in dialogue with other diasporic communities The collected essays cover such topics as Palestinian exiles and diasporas the demographics of today's Israeli diaspora immigrant enterprises transnationalism and development the unique place of Israeli Jews in the United States the literature of Palestinian transnationals and the emergence of Berlin as a queer Israeli Jewish immigrant enclave

The Modern Israeli and Palestinian Diasporas challenges and reimagines the very notion of a homeland

British Trade Unions, the Labour Party, and Israel's Histadrut Ronnie Fraser, 2022-02-04 This book explores the British Labour Party and the trade unions and how their relationship with the Jews of Palestine and Israel has evolved over the past one hundred years It also reflects the changing attitudes of the Labour Party and the unions towards the persecution of the Jews a Jewish homeland in Palestine Israel and antisemitism An in depth examination of critical events in European and Middle East history reveals the links between British unions and their Israeli union counterpart the Histadrut General Federation of Labour and sets out the circumstances in which the unions went from backing the Labour Party's 1917 war aims declaration which called for the establishment of a Jewish homeland in Palestine through to the present day which sees the unions promoting campaigns for boycotts and sanctions against the State of Israel

The 20th Century A-GI Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the

summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

Politics and Society in Modern Israel Adam Garfinkle, 2015-03-04 With full coverage of recent dramatic events in Israeli politics from the Rabin assassination through the May 1996 elections, this work provides an up-to-date introduction to Israeli politics and society. It seeks to convey a strong sense of everyday life in Israel, the nuances and contradictions of Israeli identity, the ethnic composition and institutional structure of Israeli society, as well as Israeli political culture and the issues that dominate the country's domestic and foreign policy.

Israel Country Study Guide Volume 1 Strategic Information and Developments IBP, Inc, 2012-03-03 Israel Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments

Politics and Government in Israel, Fourth Edition Gregory S. Mahler, Reuven Y. Hazan, 2024-12-01 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives. After briefly discussing Israel's history, authors Gregory S. Mahler and Reuven Y. Hazan examine the social, religious, economic, cultural, and military contexts within which Israeli politics takes place. They explain the operation of political institutions and behavior in domestic politics, such as the constitutional system, parliamentary government, and the executive, legislative, and judicial machinery of government, including discussion of elections and voting, political parties, and civil society and democracy in Israel. Finally, Israel's foreign policy, setting, and apparatus are considered, as well as the challenges faced by the Palestinians in Israel and the peace process between Israel and its neighbors. Clear and concise, *Politics and Government in Israel* provides an invaluable starting point for all readers needing a cogent introduction to Israel today.

The Place of the Mediterranean in Modern Israeli Identity Alexandra Nocke, 2009-03-25 This book offers new perspectives on Israel's evolving Mediterranean identity, which centers around the longing to find a natural place in the region. It explores Mediterraneanism as reflected in popular music, literature, architecture, and daily life, and analyzes ways in which the notion comprises cultural identity and political realities.

Israel in History Derek Penslar, 2007-01-24 This collection of essays provides a comparative historical analysis of Israel's history. In particular, they tackle the often contentious issues of the nature of Zionism, whether Israel is a colonial state, historiography, and antisemitism, as well as social and cultural developments.

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **A History Of Modern Israel**

In some sort of inundated with monitors and the cacophony of immediate transmission, the profound power and emotional resonance of verbal beauty often diminish in to obscurity, eclipsed by the continuous barrage of sound and distractions. A History Of Modern Israel Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free A History Of Modern Israel PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency

saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free A History Of Modern Israel PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of A History Of Modern Israel free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About A History Of Modern Israel Books

1. Where can I buy A History Of Modern Israel books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
