Peter A. Redpath, 2021-11-01 This book establishes that the ancient Greeks had a prevailing method of doing philosophy which was rooted in philosophical realism Through extensive historical and philosophical analysis it demonstrates that this method was challenged in ancient times by an apocryphal notion of philosophy which eventually became confused with philosophical reasoning and was passed on to posterity through the work of Christian theologians until it was called into question by leading thinkers of the thirteenth century It shows how this thirteenth century challenge influenced the growth of the Renaissance humanist movement and how this movement in turn passed on to modernity the same apocryphal notion of philosophy as a rhetorical theology of allegorical prefiguration **Histories of Philosophy and Thought in the**

[A History of Western Philosophy](#) Norman Geisler, 2016-10-13 One can see farther when standing on the shoulders of giants The great philosophers of antiquity are truly the intellectual giants bridging the abyss between the past and the present Unfortunately the thoughts of the earlier thinkers were often conflicting and occasionally incorrect Nevertheless we can often learn from the errors of these great minds There is a lot of truth to be learned from a significant error Great minds produce great thoughts and great thoughts are worth thinking again Our mind is enriched by following in the intellectual footsteps of those that have gone before us Philosophy provides a basis of thought

in virtually every other discipline For example one cannot truly know science without understanding the philosophy of science Nor can one know theology without understanding the philosophical principles that it is built upon The study of the history of thought is a worthy and rewarding enterprise all within itself You could not spend your intellectual efforts more profitably than in the study of the unfolding of the history of great ideas We do not live in a vacuum thus we must not think in a vacuum With the preparation of the thoughts of those that have gone before us we can influence the thoughts of those that come after us      *Living Philosophy* Lewis Vaughn,2023-07-21 A vibrant and historical introduction to the philosophical ideas that shape our world today      Islam, Christianity and the Mystic Journey Ian Richard Netton,2011-04-30 This distinctive comparison of Islamic and Christian mysticism focuses on the mystic journey in the two faith traditions the journey which every believer must make and which leads to the Divine The author clears away misconceptions and highlights similarities and differences in the thought and lives of six key mystics Al Kalabadhi Al Daylami Al Qushayri Julian of Norwich Thomas a Kempis and Teresa of Avila He considers the ways of Perfection on the Mystic Path and asks in what ways these authors have embarked on the mystic journey He looks at the themes they have in common as well as their differences and asks how they envisage the concept of union with the Deity Readers will gain a broad understanding of the interdisciplinary and intertextual nature of the subject as well its the diverse intellectual and historical contexts      **Studies on Contemporary Chinese Philosophy (1949-2009)** Qiyong GUO,2018-01-29 Guo Qiyong s edited volume on contemporary Chinese philosophy offers a detailed look at research on Chinese philosophy published from 1949 2009 in Mainland China and Taiwan The chapters in this volume are broken down into either major themes or time periods in the history of Chinese philosophy In each chapter after summarizing significant aspects of a particular theme or time period lists are drawn up of the most important works along with comments on their individual contributions This volume allows readers to both familiarize themselves with specific texts and become immersed in the more general philosophical discourse surrounding the history of Chinese philosophy It provides an in depth look into serious debates and major discoveries in Chinese language philosophical scholarship from 1949 2009
