BIOLOGY SOL REVIEW PACKET

First and foremost, I hope this finds you well and that no one you know has been affected by Covid-19. While we're away from school, please try and complete as much of this SOL review packet as you can. Some of the material has already been covered in class, some of it will be a review from Life Science in middle school, but some of it is still yet to come. You are more than welcome to research any of the information that we haven't covered so that you can try and complete the entire assignment. Should you need any help, please do not hesitate to email me. I'll check it periodically throughout the day and respond as soon as I can. Most importantly, stay healthy.
