Bless Her Heart Debby Mayne, 2013-08-06. As Priscilla Slater's 15-year class reunion approaches, she decides to attend out of curiosity and to flaunt her latest achievement, taking her business to a national level with the possibility of a TV show. As if getting ready for the event and putting up with the pranks of her former classmates isn't enough, Priscilla's hometown visit is further complicated by her parents' separation. With the once solid sanctuary of her home broken at the foundation, there's only one thing Priscilla's parents can agree on: no matter what sort of accolades their daughter receives as a hair stylist, she's not living up to her potential. Eager to escape the painful reality of her childhood home, Priscilla bolts as soon as a call from New York brings good news: her offer to purchase one of the best salons in the country is likely to come through. But returning to New York means returning to Tim, Priscilla's best friend and business pal, who has been impatiently suggesting their relationship should be more than a friendship. Despite her recent achievements, will Priscilla learn that success doesn't always result in popularity or love?

Songs of Life and Grace Linda Scott DeRosier, 2014-10-17. On a muggy late August afternoon in 1936, somewhere along the banks of Greasy Creek, Life found Grace walking the dusty mile between work and home in a brand-new pair of leather kitten-heeled pumps, blond curls bouncing in the sun. Two weeks later, Liefie Jay Preston and Grace Mollette married, a union that lasted until their deaths fifty-eight years later. There was something about them, their daughter Linda would discover, a kind of radiance and love of living that would mark them in the memories of every person they encountered: a song that resonates years after their passing. *Songs of Life and Grace* is their story, told by the daughter whose own life grew out of their loving ministries and Appalachian sensibilities. Linda Scott DeRosier, the celebrated author of *Creeker: A Woman's Journey*, draws on family letters and lore, interviews, and her own recollections to reach a better understanding of her parents and the families that formed them both. Along the way, she introduces an unforgettable cast of characters: the formidable Grandma Emmy, Uncle Burns, an infamous ladies' man, helpless and simple Aunt Jo, and gentle Pop Pop, who could peel an apple in one long, unbroken spiral. A stirring, honest look at Appalachia and a tribute to the unbreakable bonds of family, *Songs of Life and Grace* establishes DeRosier as one of the most vital and exciting new voices of the American South.
