Satterthwaite, J. Gordon McConville, 2007-06-05 The historical books from Joshua to Ezra and Nehemiah form the narrative backbone of the Old Testament Without them the Pentateuch would stop cold and the Prophets would hang in suspension Even the Psalms and Wisdom literature would lose some of their luster for lack of a setting Without these historical books the New Testament would be resolving an incomplete narrative answering a question only half and hesitantly posed For all these reasons and more it is a tragic fact that many of us today cannot give a brief and coherent account of this story We fear that books with names like Judges Kings and Chronicles would bore us But nothing could be further from the truth For the story they tell is full of action and intrigue tragedy and suspense vivid characters and memorable events They are the stuff of great art and literature and they have inspired men and women to lives and deeds of uncommon faith and courage Exploring these books is essential for a true education whether religious or otherwise In this guidebook Philip E Satterthwaite and J Gordon McConville introduce us to the content and the context of these historical books We view them within the setting of ancient history and history writing and come to appreciate their literary artistry their role within the Scriptures of Israel and their lasting value as theological and ethical resources Designed especially for students *Exploring the Old Testament Volume 2 A Guide to the Historical Books* overflows with interesting and helpful features that encourage avid exploration and the joy of learning **The Ideal King** John Kennon Grant, 2025-08-14 Jesus is King but not in the way people might normally think of kingship Jesus power didn't come through military strength high GDP earnings or political alliances such as NATO None of those power bases can guarantee a lasting kingdom because those means of power are conditional There is a power that is unconditional Truth The Ideal King Truth incarnate founded his kingdom on truth and holiness These two ideals are so challenging to worldly power that the world executed Jesus While Truth doesn't stay dead militaries can wither currencies can collapse and alliances can dissolve While nations of the world ebb and flow the Ideal King lives and expands his rule through his emissaries who are also not like the nations in their

singular focus on loving and proclaiming the Truth **Be Fruitful and Multiply** Andrew J. Schmutzer, 2009-09-15 In this study Andrew J Schmutzer puts his hand to an in depth study of the Creation Mandate known within Reformed theology as the Cultural Mandate His analysis focuses on key texts of God s blessing in Genesis 1 11 In particular Schmutzer explores the theological significance of Genesis 1 28 using a biblical theological approach sensitive to the biblical literature Delving into such issues as the nature of divine blessing humankind s royal stewardship and the role of the image of God this study draws the reader back to the biblical text as the lead carriage for foundational questions in contemporary faith The result is theological grist primed to address the related issues of ecological crisis social oppression gender studies and eco theology How one understands the Creation Mandate has serious implications Be Fruitful and Multiply provides a sharp tool to help address these serious issues
