## **A Life And Death Decision A Life And Death Decision:**

**Life and Death Decisions** Sheldon Ekland-Olson, 2014-11-12 Issues of Life and Death such as abortion assisted suicide capital punishment and others are among the most contentious in many societies Whose rights are protected How do these rights and protections change over time and who makes those decisions Based on the author's award winning and hugely popular undergraduate course at the University of Texas this book explores these questions and the fundamentally sociological processes which underlie the quest for morality and justice in human societies The Author's goal is not to advocate any particular moral high ground but to shed light on the social movements and social processes which are at the root of these seemingly personal moral questions Under 200 printed pages this slim paperback is priced and sized to be easily assigned in a variety of undergraduate courses that touch on the social bases underlying these contested and contentious issues

**Deciding Who Lives** Renee R. Anspach, 1993 In a probing look at the reality of everyday choices in neonatal intensive care units sociologist Renee Anspach explores the life and death dilemmas that have fueled much national debate Anspach considers the roles of parents doctors nurses and bioethicists in deciding the fate of terminally ill or malformed newborns

*Life and Death Decision Making* Baruch A. Brody, 1988 Integrating theory with case studies this book examines the practical application of moral theory in clinical decision making through 40 composite cases based on actual clinical experience Complex realistic and challenging these examples contain the multiplicity of factors faced in clinical crises making this a superb exploration of the ways in which theory relates to actual life or death situations

**First Response: The Life-and-Death Decisions of Paramedics** Sultan Manzil Alanazi, Talal Manzil Alanazi, Abdullah Matar Alanazi, Tariq Rabeh Al-Mutairi, The world of emergency medical services EMS is frenzied and every second matters Paramedics and emergency responders are the gatekeepers of life and death and often make decisions that affect the lives of others with little more than a fraction of seconds The gravity of these decisions the outcome is immediate and irreversible is the crucible in which these professionals are forged This book The Crucible of Emergency Care The Life and Death Decisions of Paramedics is an examination of that high stakes setting It honors those that take the route of dealing reaction clarifying the valor expertise and strength necessary to work through one of the most serious minutes an individual may ever confront While the book is damn near all about the technical aspects of the job it's also a meditation on the mental fortitude and emotional endurance required to make decisions that can literally be the difference between life and death Throughout these pages readers will meet people who have endured who have triaged the dying stabilized the critically injured comforted the frightened all in the space of a few moments They will learn about the gasping preparations and extensive training that enable paramedics to act at a moment's notice and the complex moral and ethical dilemmas that can surface when the pressure is on and stakes are highest For paramedics making such sacrifices is not an afterthought it is part and parcel of the profession But at its heart this book is about the people behind the uniforms the grit empathy and expertise that paramedics

bring to every emergency The demands of the work are great yet the calling to help others is often greater

**Practical Decision Making in Health Care Ethics** Raymond J. Devettere, 2009-12-04 For nearly fifteen years Practical Decision Making in Health Care Ethics has offered scholars and students a highly accessible and teachable alternative to the dominant principle based theories in the field Devettere's approach is not based on an ethics of abstract obligations and duties but following Aristotle on how to live a fulfilled and happy life in short an ethics of personal well being grounded in prudence the virtue of ethical decision making This third edition is revised and updated and includes discussions of several landmark cases including the tragic stories of Terri Schiavo and Jesse Gelsinger the first death caused by genetic research Devettere addresses new topics such as partial birth abortion law embryonic stem cell research infant euthanasia in The Netherlands recent Vatican statements on feeding tubes organ donation after cardiac death new developments in artificial hearts clinical trials developed by pharmaceutical companies to market new drugs ghostwritten scientific articles published in major medical journals and controversial HIV AIDS research in Africa This edition also includes a new chapter on the latest social and political issues in American health care Devettere's engaging text relies on commonsense moral concepts and avoids academic jargon It includes a glossary of legal medical and ethical terms an index of cases and thoroughly updated bibliographic essays at the end of each chapter that offer resources for further reading It is a true classic brilliantly conceived and executed and is now even more valuable to undergraduates and graduate students medical students health care professionals hospital ethics committees and institutional review boards and general readers interested in philosophy medicine and the rapidly changing field of health care ethics

**Life and Death Decisions** Dr Lachlan McIver, 2022-09-01 Just brilliant The book of the decade Professor Tim Flannery Former Australian of the Year An honest powerful and riveting book that demonstrates Lachlan's courage in the face of the hardest of circumstances Levison Wood Award winning author explorer and photographer Wow A hugely important and enjoyable book that will restore your faith in humanity and what is possible Deeply moving and at times tragic but never losing a sense of optimism or hope Sir Jeremy Farrar Director of the Wellcome Trust Lachlan was sixteen when he found his father dead on the side of a dirt road in North Queensland Australia He had suffered a sudden heart attack and died alone It was this tragedy that motivated Lachlan to train as a doctor specialising in providing medical care for people living in remote resource deprived locations Lachlan's work with the World Health Organization and Médecins Sans Frontières has taken him to some of the world's most extreme environments from the sinking islands of the Pacific to epidemics and war zones in the Middle East and sub Saharan Africa In this no holds barred memoir Lachlan recounts his experiences treating patients ravaged by tropical diseases managing war wounds with drug resistant infections delivering babies by the light of a head torch dealing with the devastating effects of climate change and narrowly avoiding being kidnapped by militia in the Democratic Republic of the Congo Tackling such impossible problems day in and day out inevitably takes a personal toll Lachlan is ultimately forced to face his own battles with depression alcohol

abuse and bankruptcy Life and Death Decisions is a deeply human look at the personal cost of our broken global health system and a vital call to action **Decision Making near the End of Life** James L. Werth Jr., Dean Blevins, 2008-10-20 Decision Making near the End of Life provides a comprehensive overview of the recent developments that have impacted decision making processes within the field of end of life care The most current developments in all aspects of major underlying issues such as public attitudes the impact of media bioethics and legal precedent provide the background information for the text The authors examine various aspects of end of life choices and decision making including communication between and among family medical personnel the dying person advance directives and the emergence of hospice and palliative care institutions The book also explores a variety of psychosocial considerations that arise in decision making including religion spirituality family caregiving disenfranchised and diverse groups and the psychological and psychiatric problems that can impact both the dying person and loved ones Case studies and first person stories about decision making written by professionals in the field bring a uniquely personal touch to this valuable text **A Study Guide for Jack Finney's "Contents of the Dead Man's Pockets"** Gale, Cengage Learning, *A Life and Death Decision* Scott E. Sundby, 2015-03-17 A gripping exploration of a jury's members perspectives on the most wrenching decision the death sentence With a life in the balance a jury convicts a man of murder and now has to decide whether he should be put to death Twelve people now face a momentous choice Bringing drama to life *A Life and Death Decision* gives unique insight into how a jury deliberates We feel the passions anger and despair as the jurors grapple with legal moral and personal dilemmas The jurors voices are compelling From the idealist to the holdout the individual stories of how and why they voted for life or death drive the narrative The reader is right there siding with one or another juror in this riveting read From movies to novels to television juries fascinate Focusing on a single case Sundby sheds light on broader issues including the roles of race class and gender in the justice system With death penalty cases consistently in the news this is an important window on how real jurors deliberate about a pressing national issue **Just a Closer Walk** Jonathan Temple, 2015-02-19 Just a Closer Walk is a thirty one day daily devotional book inspired by the realization that it is God who desires a closer walk with us It is God who wants to spend more time with us than we realize As His children we do not have to work our spiritual fingers to the bone to earn His love Through Jesus our Savior we have Gods total love grace and mercy The devotionals are written from the heart and written for the regular person facing lifes struggles Regular often broken people are who God uses to illustrate love mercy and forgiveness These devotionals are simple easy to understand and use real life experiences to convey a message of love and hope God is chasing His children and wants to be a part of their daily lives Let the adventure begin for as His children we are loved more than we could ever know **The Revelation of the Tree of Life: the Theology of Divine Perfection** Angelina Galassi, 2014-08-27 The aim of *The Revelation of the Tree of Life: The Theology of Divine Perfection* is to show Christians and non Christians a brief presentation of the fuller sense *sensus plenior* of God's revelation that began with

the Tree of Life in the Garden of Eden and ended in the Triumph of the Cross The procedure of comparing parallel subjects the principle of the repetition method the study of God s perfection and God s sworn testimonies to man were the methods employed in the composition of this exposition The Revelation of the Tree of Life takes in the whole work of God s Divine revelation the Old and New Testaments and interprets them in context and according to Apostolic tradition The mystery of the Tree of Life once thought impenetrable to human knowledge will be unveiled The unveiling of the Tree of Life will reveal God s deeper salvific plan for mankind which is directly connected with the Institution of the Holy Eucharist For the Tree of the Cross is the Tree of Life

End-of-life Decisions Maurice Steinberg, Stuart J. Youngner, 1998 In recent years the lens of the media has narrowed issues of euthanasia and assisted suicide to a drama involving two players Dr Kevorkian and the law This has left suffering patients and their families unrecognized and isolated when facing the most painful life decision Here at last is a book that addresses the role of psychiatry in dealing with a major controversial topic in American medicine today treatment decisions at the end of life *End of Life Decisions A Psychosocial Perspective* acknowledges and explores the role psychiatrists can play as advisers to the terminally ill and their loved ones It describes the wide range of emotional and psychiatric issues faced by the patient family and physician that affect choices patients make to limit treatment or seek physician assistance in dying A distinguished group of contributors all of whom have extensive experience dealing with end of life issues in clinical practice address topics that may not have been considered previously From dealing with issues of terminal illnesses in children to making difficult treatment decisions for patients with AIDS from judging the competency of clinically depressed patients for making sound decisions to understanding the influence of family dynamics economic forces and language differences on doctor patient communication the book uses specific case studies and data to explore the role of professionals in end of life decisions *End of Life Decisions* strikes a careful balance between the need for patient autonomy and the challenge to make well formulated treatment decisions This book will heighten modern medicine s and society s consciousness concerning the difficult challenges faced by patients and their families when making end of life decisions

**Decision Science and Technology** James Shanteau, Barbara A. Mellers, David A. Schum, 2012-12-06 *Decision Science and Technology* is a compilation of chapters written in honor of a remarkable man Ward Edwards Among Ward s many contributions are two significant accomplishments either of which would have been enough for a very distinguished career

First Ward is the founder of behavioral decision theory This interdisciplinary discipline addresses the question of how people actually confront decisions as opposed to the question of how they should make decisions Second Ward laid the groundwork for sound normative systems by noticing which tasks humans can do well and which tasks computers should perform This volume organized into five parts reflects those accomplishments and more The book is divided into four sections Behavioral Decision Theory examines theoretical descriptions and empirical findings about human decision making Decision Analysis examines topics in decision analysis Decision in Society explores issues in societal decision making The final section Historical Notes provides some historical perspectives on the development of the decision theory Within these sections major multi disciplinary scholars in decision theory have written chapters exploring some very bold themes in the field as an examination of the book s contents will show The main reason for the health of the Decision Analysis field is its close links between theory and applications that have characterized it over the years In this volume the chapters by Barron and Barrett Fishburn Fryback Keeney Moreno Pericchi and Kadane Howard Phillips Slovic and Gregory Winkler and above all von Winterfeldt focus on those links Decision science originally developed out of concern with real decision problems and applied work such as is represented in this volume will help the field to remain strong
