A Life Of The Buddha:

A Life of the Buddha Sherab Chödzin Kohn, 2009-03-10 The story of the Buddha and his awakening is more than an account of the birth of a religious tradition it is also one of the great archetypal tales of the spiritual quest colorful in its many details and thrilling in its depiction of the world transformed by an enlightened human being Sherab Chödzin Kohn's retelling of the Buddha's life is both readable and historically informed and presents the Buddha's teachings along with the events of his past lives to final nirvana Library Journal called it a splendid combination of biography and instruction This new edition of the book previously entitled *The Awakened One* has been updated to include a short history of Buddhism as well as a selection of resources for further reading

The Awakened One Sherab Chödzin Kohn, 2000-02-15 The story of the founder of Buddhism is one of the world's great archetypal tales of spiritual awakening He was born Siddhartha Gautama in the sixth century BCE the son of a prince who ruled a small kingdom in what is now Nepal Siddhartha led a sheltered existence until the age of twenty nine when he left his life of ease and set out to find a solution to the problem of suffering For years he wandered as a homeless ascetic practicing severe austerities that brought him to the brink of death but no nearer to his goal He then abandoned asceticism for a middle way Sitting down under a tree he vowed to remain there until he realized the truth After a night of deep meditation his Enlightenment came at dawn and he was thereafter known as the Buddha the Awakened One

The Awakened One Sherab Chödzin Kohn, Sherab Chödzin, 1994 Although the Buddha's biography is overlaid with legend scholars accept that the founder of Buddhism was a historical figure named Siddhartha Gautama born into a Hindu warrior caste around 566 BC At the age of 29 he set out to find a solution to the problem of suffering Eventually he sat down under a tree and vowed to remain there until he realized the truth
