Penguin Classics Introduction to A Hero of Our Time by Mikhail Lermontov (Penguin Classics) Irwin Paul Foote, 2003 *A Hero Of Our Time* Mikhail Lermontov, 2009-01-16 The first major Russian novel *A Hero of Our Time* was both lauded and reviled upon publication Its dissipated hero twenty five year old Pechorin is a beautiful and magnetic but nihilistic young army officer bored by life and indifferent to his many sexual conquests Chronicling his unforgettable adventures in the Caucasus involving brigands smugglers soldiers rivals and lovers this classic tale of alienation influenced Tolstoy Dostoyevsky and Chekhov in Lermontov s own century and finds its modern day counterparts in Anthony Burgess s *A Clockwork Orange* the novels of Chuck Palahniuk and the films and plays of Neil LaBute *A Hero of Our Time* Михаил Юрьевич Лермонтов, 2001-06-28 A masterpiece of Russian prose Lermontov s only novel was influential for many later 19th century authors including Tolstoy Dostoyevsky and Chekhov Lermontov s hero Pechorin is a dangerous man Byronic in his wasted gifts and his cynicism and desperate for any kind of action that will stave off boredom In five linked episodes Lermontov builds up a portrait of a man caught in and expressing the sickness of his times *A Hero of Our Time* Mikhail Yurievich Lermontov, 2018-08-11 *A Hero of Our Time* Large Print By Mikhail Lermontov Mikhail Lermontov s pioneering psychological novel *A Hero of Our Time* is probably his most impactful work one which influenced the works of other great Russian authors such as Dostoyevsky and Tolstoy The novel s narrative is the story of Pechorin a young officer in the army whose story is told in five non chronological parts Drawing upon his own experiences in the military Lermontov creates a fascinating anti hero in Pechorin a man who is intelligent calculating manipulative emotionally unavailable arrogant cynical nihilistic yet also sensitive The principal accomplishment of *A Hero of Our Time* is the introduction of the Byronic anti hero to Russian literature a departure from the traditional idealized protagonist of the Romantic period which signifies a pivotal move towards the realism of the Modernist literary movement As Lermontov describes in his preface *A Hero of Our Time* my dear readers is indeed a portrait but not of one man It is a portrait built up of all our generation s vices in full bloom You will again tell me that a human being cannot be so wicked and I will reply that if you can believe in the existence of all the villains of tragedy and romance why wouldn t believe that there was a Pechorin This edition is printed on premium acid free paper and includes an introduction by George Reavey We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will

A Hero of Our Time Russian Ger y n shevo vr meni is a novel by Mikhail Lermontov written in 1839 published in 1840 and revised in 1841 It is an example of the superfluous man novel noted for its compelling Byronic hero or antihero Pechorin and for the beautiful descriptions of the Caucasus Pechorin treats women as an incentive for endless conquests and does not consider them worthy of any particular respect He considers women such as Princess Mary to be little more than pawns in his games of romantic conquest which in effect hold no meaning in his listless pursuit of pleasure This is shown in his comment on Princess Mary I often wonder why I m trying so hard to win the love of a girl I have no desire to seduce and whom I d never marry The only contradiction in Pechorin s attitude to women are his genuine feelings for Vera who loves him despite and perhaps due to all his faults At the end of Princess Mary one is presented with a moment of hope as Pechorin gallops after Vera The reader almost assumes that a meaning to his existence may be attained and that Pechorin can finally realize that true feelings are possible Yet a lifetime of superficiality and cynicism cannot be so easily eradicated and when fate intervenes and Pechorin s horse collapses he undertakes no further effort to reach his one hope of redemption I saw how futile and senseless it was to pursue lost happiness What more did I want To see her again For what Pechorin s chronologically last

adventure was first described in the book showing the events that explain his upcoming fall into depression and retreat from society resulting in his self predicted death The narrator is Maxim Maximytch telling the story of a beautiful Circassian princess Bela whom Azamat abducts for Pechorin in exchange for Kazbich s horse Maxim describes Pechorin s exemplary persistence to convince Bela to give herself sexually to him in which she with time reciprocates After living with Bela for some time Pechorin starts explicating his need for freedom which Bela starts noticing fearing he might leave her Though Bela is completely devoted to Pechorin she says she s not his slave rather a daughter of a Circassian tribal Chieftain also showing the intention of leaving if he doesn t love her Maxim s sympathy for Bela makes him question Pechorin s intentions Pechorin admits he loves her and is ready to die for her but he has a restless fancy and insatiable heart and that his life is emptier day by day He thinks his only remedy is to travel to keep his spirit alive *A Hero of Our Time (Collector's Edition) (Laminated Hardback with Jacket)* Mikhail Lermontov,2024-11-05 Pechorin a brooding officer navigates love honor and fate in the Caucasus His cynical actions reflect his generation s disillusionment portraying him as a complex Byronic hero **A Hero of Our Time** Y. M. Lermontov,2008-05 *A Hero of Our Time [Paperback]* Mikhail Lermontov Mikhail Lermontov,2025-05-09 Mikhail Lermontov s pioneering psychological novel *A Hero of Our Time* is probably his most impactful work one which influenced the works of other great Russian authors such as Dostoyevsky and Tolstoy Set against the stunning backdrop of the Caucasus Mountains the novel follows the life of Pechorin a young Russian officer whose enigmatic personality and reckless behavior make him both captivating and enigmatic Through a series of interconnected stories Lermontov paints a vivid portrait of Pechorin s adventures loves and ultimately his tragic downfall As Pechorin navigates the treacherous landscape of 19th century Russia he grapples with questions of honor identity and the nature of heroism From his passionate affair with the beautiful Princess Mary to his fateful encounters with fellow officers and indigenous tribesmen Pechorin s journey is a gripping exploration of the human psyche and the eternal struggle between passion and reason *A Hero of Our Time - Lermontov* M. Y. Lermontov,2011-01-01 Mikhail Lermontov s famous novel *A Hero of our Time* was and remains one of the great literary achievements of the 19th century Lermontov is considered to be the only true Romantic poet from Russia and it is easy to see why after reading this book He is greatly influenced by Byronism a literary movement in Europe started by the Romantic poet George Gordon Lord Byron In his work Lermontov creates a character who encapsulates Byronic principles Pechorin Lermontov s protagonist is a darker hero than most in Russian society are accustomed to He is sensitive and cynical he has great insight into his own personality and yet remains extremely arrogant Pechorin is remarkably intelligent and prefers to rely on the certainty of intellect rather than the unpredictable nature of emotions He is vain and ambitious but never content with his achievements Once he sets out on a new adventure he easily gets bored with what he has accomplished and becomes depressed He states my imagination knows no peace my heart no satisfaction He specifically enjoys the challenge of conquering women As time goes on however he

grows bored with the lovers he has seduced and treats them unkindly or just leaves them altogether Throughout his journeys Pechorin is cruel to his lovers rude to strangers and even kills one of his friends in a duel sparked by a minor disagreement showing little remorse afterwards Perhaps Pechorin's contradictory personality is best summarized by the comment he makes to a friend about a lover I'm still in love with her I'm grateful to her for a few moments of relative bliss I'd give my life for her But she bores me Lermontov's creation of this morally corrupt protagonist sparked condemnation from many Russians upon its publication Society was not comfortable with such a villainous character being hailed a hero as Lermontov clearly implies by the title of the book In reaction to the criticism Lermontov adds a preface in the book's second publication to explain that Pechorin is a portrait of the vices of our whole generation in their ultimate development He brilliantly points out that perhaps society is so fervently opposed to Pechorin because they secretly fear the realities in Pechorin's personality Lermontov rhetorically asks you will say that no man can be so bad and I will ask you why after accepting all the villains of tragedy and romance you refuse to believe in Pechorin You have admired far more terrible and monstrous characters than he is so why are you so merciless to him even as a fictitious character Perhaps he comes too close to the bone Still today Pechorin is a fascinating literary character and his personality is formed by the principles of Byronism
