A Little Larger Than The Entire Universe Selected Poems:

A Little Larger Than the Entire Universe Fernando Pessoa, 2006 **Fernando Pessoa** Bartholomew Ryan, 2024-11-12 A critical biography of the modernist Portuguese writer As a young man Fernando Pessoa aspired to as he put it be plural like the universe He would fulfill this desire by inventing over one hundred fictional alter egos which he called heteronyms Beginning with Pessoa's early days in Portugal this philosophical biography explores the life work and imaginative universe of this modernist pioneer Bartholomew Ryan offers a detailed overview of Pessoa's writings on radical politics his ventures into esoteric realms and his expertise in astrology Along the way Ryan unravels Pessoa's real and literary relationships and explores his unfinished prose masterpiece *The Book of Disquiet* This is a compelling timely exploration of Pessoa's profound innovative ideas **Understanding Love** Susan Wolf, Christopher Grau, 2014-02 A unique and interdisciplinary collection in which scholars from Philosophy join those from Film Studies English and Comparative Literature to explore the nature and limits of love through in depth reflection on particular works of literature and film **Fernando Pessoa's Modernity Without Frontiers** Mariana Gray de Castro, 2013 Eighteen short essays by the most distinguished international scholars examine Pessoa's influences his dialogues with other writers and artistic movements and the responses his work has generated worldwide Portuguese writer Fernando Pessoa claimed that he did not evolve but rather travelled This book provides a state of the art panorama of Pessoa's literary travels particularly in the English speaking world Its eighteen short jargon free essays were written by the most distinguished Pessoa scholars across the globe They explore the influence on Pessoa's thinking of such writers as Whitman and Shakespeare as well as his creative dialogues with figures ranging from decadent poets to the dark magician Aleister Crowley and finally some of the ways in which he in turn has influenced others They examine many different aspects of Pessoa's work ranging from the poetry of the heteronyms to the haunting prose of *The Book of Disquiet* from esoteric writings to personal letters from reading notes to unpublished texts Fernando Pessoa's *Modernity Without Frontiers* is a valuable introduction to this multifaceted modern master intended for both students of modern literature and general readers interested in one of its major figures **Fado and the Place of Longing** Richard Elliott, 2017-07-05 Fado often described as urban folk music emerged from the streets of Lisbon in the mid nineteenth century and went on to become Portugal's national music during the twentieth It is known for its strong emphasis on loss memory and nostalgia within its song texts which often refer to absent people and places One of the main lyrical themes of fado is the city itself Fado music has played a significant role in the interlacing of mythology history memory and regionalism in Portugal in the second half of the twentieth century Richard Elliott considers the ways in which fado songs bear witness to the city of Lisbon in relation to the construction and maintenance of the local Elliott explores the ways in which fado acts as a cultural product reaffirming local identity via recourse to social memory and an imagined community while also providing a distinctive cultural export for the dissemination of a remembered Portugal on the global stage **Little Larger Than the**

Entire Universe RICHARD. Zenith,2006 *An Unnecessary Woman* Rabih Alameddine,2014-02-04 A happily misanthropic Middle East divorcee finds refuge in books in a beautiful and absorbing novel of late life crisis The New York Times Aaliya is a divorced childless and reclusively cranky translator in Beirut nurturing doubts about her latest project a 900 page avant garde linguistically serpentine historiography by a late Chilean existentialist Honestly at seventy two should she be taking on such a project Not that Aaliya fears dying Women in her family live long her mother is still going crazy But on this lonely day hour by hour Aaliya s musings on literature philosophy her career and her aging body are suddenly invaded by memories of her volatile past As she tries in vain to ward off these emotional upwellings Aaliya is faced with an unthinkable disaster that threatens to shatter the little life she has left In this meditation on among other things aging politics literature loneliness grief and resilience The New York Times Alameddine conjures a beguiling narrator who is like her city hard to read hard to take hard to know and ultimately passionately complex San Francisco Chronicle A finalist for the National Book Critics Circle Award and the National Book Award *An Unnecessary Woman* is a fun and often funny grave powerful and extraordinary Washington Independent Review of Books ode to literature and its power to define who we are Read it once read it twice read other books for a decade or so and then pick it up and read it anew This one s a keeper The Independent Homintern Gregory Woods,2017-01-01 A landmark account of gay and lesbian creative networks and the seismic changes they brought to twentieth century culture In a hugely ambitious study which crosses continents languages and almost a century Gregory Woods identifies the ways in which homosexuality has helped shape Western culture Extending from the trials of Oscar Wilde to the gay liberation era this book examines a period in which increased visibility made acceptance of homosexuality one of the measures of modernity Woods shines a revealing light on the diverse informal networks of gay people in the arts and other creative fields Uneasily called the Homintern an echo of Lenin s Comintern by those suspicious of an international homosexual conspiracy such networks connected gay writers actors artists musicians dancers filmmakers politicians and spies While providing some defense against dominant heterosexual exclusion the grouping brought solidarity celebrated talent and in doing so invigorated the majority culture Woods introduces an enormous cast of gifted and extraordinary characters most of them operating with surprising openness but also explores such issues as artistic influence the coping strategies of minorities the hypocrisies of conservatism and the effects of positive and negative discrimination Traveling from Harlem in the 1910s to 1920s Paris 1930s Berlin 1950s New York and beyond this sharply observed warm spirited book presents a surpassing portrait of twentieth century gay culture and the men and women who both redefined themselves and changed history *Esotericism and Deviance* ,2024-02-06 The concept of deviance has been central to the academic study of Western esotericism since its inception This book being the proceedings of the 6th Biennial Conference of the European Society for the Study of Western Esotericism ESSWE explores the relationship between esotericism and various forms of deviance as concept category and practice from antiquity until late modernity The volume is the first to combine incisive

conceptual explorations of the concept of deviance and how it informs and challenges the study of esotericism alongside a wide range of empirically grounded case discussions Philosophy in the Condition of Modernism Ana Falcato, Antonio Cardiello, 2018-05-03 Produced on the fringes of philosophy and literary criticism this book is a pioneering study which aims to explicitly address and thematize what may be called a critical philosophy in the condition of modernism Its most important and original contribution to both disciplines is a self conscious reflection on possible modes of writing philosophy today and a systematic comparison with what happened in literary modernism at the beginning of the twentieth century The volume is divided into six sections where internationally renowned scholars discuss such pressing topics as the role of an unreliable narrator in a major philosophical treatise the different mediums of art production and how these impact on our perception of the Work itself the role of narrative in animal ethics and the filmic adaption of a Modernist classic *In Light-Years There's No Hurry* Marjolijn van Heemstra, 2023-06-20 A New Scientist Best Popular Science Book of 2023 How seeing Earth through the eyes of an astronaut brings new wonder and meaning to life on our planet One stifling summer night the poet and journalist Marjolijn van Heemstra lay awake unable to sleep like so many of us feeling anxious and alienated deeply exhausted yet restless Amid the suffocating stream of daily obligations the clamor of notifications and increasingly dismal headlines she longed for a way to rise above the frenzy for a renewed sense of meaning and connection Then she learned about the overview effect a permanent shift in consciousness many astronauts experience when beholding Earth from outside the atmosphere and wondered could the perspective of outer space offer the internal space she sought The lyrical account of van Heemstra's yearlong quest to experience the overview effect on Earth *In Light Years There's No Hurry* invites us to lift our gaze above eye level and discover our connections with the cosmos our planet and each other We follow as van Heemstra's cosmic awareness expands and she finds herself feeling simultaneously lighter and more grounded Compared with the complexity of the universe daily life on Earth begins to seem more manageable while understanding the improbability of our collective existence gives her new patience and tenderness for her neighbors The grand rhythms of light years and eons become a source of restoration and relief a comforting necessary reminder to slow down and zoom out Contemplating the solace a cosmic perspective offers in our chaotic divided world *In Light Years There's No Hurry* is a moving meditation on what it is to be human amid the vastness of the universe The Cambridge Companion to European Modernism Pericles Lewis, 2011-09-08 Modernism arose in a period of accelerating globalization in the late nineteenth century Modernist writers and artists while often loyal to their country in times of war aimed to rise above the national and ideological conflicts of the early twentieth century in service to a cosmopolitan ideal This Companion explores the international aspects of literary modernism by mapping the history of the movement across Europe and within each country The essays place the various literary traditions within a social and historical context and set out recent critical debates Particular attention is given to the urban centers in which modernism developed from Dublin to Zürich Barcelona to Warsaw and to the movements of

modernists across national borders A broad accessible account of European modernism this Companion explores what this cosmopolitan movement can teach us about life as a citizen of Europe and of the world

Character and Person John Frow, 2014-04 Character and Person explores the category of fictional character one of the most widely used and least adequately theorized concepts in literary studies cultural studies and everyday usage It sets fictional character in relation to the concept of person and tries to examine how each of these terms is constructed across different cultures

Language and the World: Essays in Honor of Franson Manjali Saitya Brata Das, 2025-07-13 This book is a comprehensive and sustained engagement with the problematic of language It addresses some of the most urgent questions of our contemporary times such as Time and history Violence and force Law and justice Ethics and politics Metaphysics and technology and Community and religion It explores how language fosters the possibility of being with each other in non totalizing ways It presents a truly interdisciplinary approach bringing together philosophers social scientists literary critics and poets to offer fresh perspectives on the complexities of language With contributions from scholars and thinkers worldwide the scholarly volume is suitable for academics and researchers in the fields of linguistics social sciences philosophy and contemporary culture studies

Virtual Subjects, Fugitive Selves Jonardon Ganeri, 2021 This book explores philosophical themes to do with self and subjectivity from the work of the Portuguese writer Fernando Pessoa best known for the uncategorizable collection of fragmentary writings in various personae published as *The Book of Disquiet* in 1982 forty seven years after the author's death

The Solitude Of Emperors David Davidar, 2012-11-15 A young man becomes embroiled in a battle against the forces of fundamentalism Suffocating in the small town world of his parents Vijay is desperate to escape to the raw energy of Bombay in the early 1990s His big chance arrives unexpectedly when the family servant Raju is recruited by a right wing organization As a result of an article he writes about the increasing power of sectarian politicians Vijay gets a job in a small Bombay publication *The Indian Secularist* There he meets Rustom Sorabjee the inspirational founder of the magazine who opens Vijay's eyes to the damage caused to the nation by the mixing of religion and politics A year after his arrival in Bombay Vijay is caught up in violent riots that rip through the city a reflection of the upsurge of fundamentalism everywhere in the country He is sent to a small tea town in the Nilgiri mountains to recover but finds that the unrest in the rest of India has touched this peaceful spot as well specifically a spectacular shrine called The Tower of God which is the object of political wrangling He is befriended by Noah an enigmatic and colourful character who lives in the local cemetery and quotes Pessoa Cavafy and Rimbaud but is ostracised by a local elite obsessed with little more than growing their prize fuchsias As the discord surrounding the local shrine comes to a head Vijay tries to alert them to the dangers but his intervention will have consequences he could never have foreseen

The Poetic "I" Ken Bazyn, 2021-12-17 One should never assume that the narrator in a poem is expressing views identical to the author's For words like Nature half reveal And half conceal the Soul within wrote Tennyson Autobiographical elements tend to be so mixed in with the fictional that lines blur Bazyn's revolving

carousel of poetic I s includes an egotist who makes fun of his arrogance a baby confused by his wobbly surroundings the simple joys of a childhood Christmas youth s dilemma at forging a vocation the peculiar circumstances surrounding one s first love reminiscences of a recent class reunion a period of self examination following the death of a neighbor anxiously awaiting a monogrammed invitation lessons gleaned from closely inspecting nature exhibiting faith in a secular metropolis dreaming of a technician s utopia and the frailty and ragged edges of old age The narrator is by turns nostalgic uneasy speculative forlorn elated discombobulated representing as he does different stages of life personality types and psychological moods Bazyn s language can be mysterious his sentences follow a winding course his stanzas end abruptly Bewitching black and white photos accent and enhance each poem s metaphors As you gaze into this verbal visual mirror likenesses of the hidden self emerge and take on unexpected shapes

Translating Myth Ben Pestell, Pietra Palazzolo, Leon Burnett, 2016-05-20 Ever since Odysseus heard tales of his own exploits being retold among strangers audiences and readers have been alive to the complications and questions arising from the translation of myth How are myths taken and carried over into new languages new civilizations or new media An international group of scholars is gathered in this volume to present diverse but connected case studies which address the artistic and political implications of the changing condition of myth this most primal and malleable of forms Translation is treated broadly to encompass not only literary translation but also the transfer of myth across cultures and epochs In an age when the spiritual world is in crisis Translating Myth constitutes a timely exploration of myth s endurance and represents a consolidation of the status of myth studies as a discipline in its own right

Rain Taxi Review of Books, 2006

Poetry And Imagined Worlds Olga V. Lehmann, Nandita Chaudhary, Ana Cecilia Bastos, Emily Abbey, 2018-01-11 This book explores the deep imaginative and creative power of poetry as part of the human experience How poetry provides insight into human psychology is a question at the beginning of its theoretical development and is a constant challenge for cultural psychologists and the humanities alike Poetry functions in all ages and cultures as a rite that merges the beauty truth and the unbearable conditions of existence Both the general and the particular can be found in its expression Collectively the authors aim to evoke a holistic understanding of what poetry conveys about decision making and the human search for meaning This ground breaking collection will be indispensable to scholars of clinical and theoretical psychology philosophy anthropology literature aesthetics and sociology

Unveiling the Energy of Verbal Art: An Mental Sojourn through **A Little Larger Than The Entire Universe Selected Poems**

In a global inundated with monitors and the cacophony of instant communication, the profound energy and emotional resonance of verbal art often fade into obscurity, eclipsed by the constant barrage of noise and distractions. However, nestled within the musical pages of **A Little Larger Than The Entire Universe Selected Poems**, a charming function of fictional brilliance that pulses with organic feelings, lies an wonderful journey waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that magical opus instructions viewers on a psychological odyssey, gently exposing the latent potential and profound impact stuck within the elaborate web of language. Within the heart-wrenching expanse of the evocative analysis, we will embark upon an introspective exploration of the book is main subjects, dissect its charming publishing design, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
