

2021 JUNIOR CERTIFICATE EXAMINATION

CHIEF EXAMINER'S REPORT

BIOLOGY

A. GENERAL COMMENTS

The paper for Biology JCE for 2021 was appropriate for candidates at Junior level. All the questions were extracted from the Junior syllabus for Biology.

The paper tested all core elements in the syllabus. It also covered adequately the skills required by a Junior Certificate candidate. Its level of difficulty was appropriate for the candidates.

There was no question that was too easy or too difficult for candidates evidenced that each question had candidates that ably responded to it as well as some who failed.

The paper adequately tested all levels of Bloom's Taxonomy ranging from knowledge to application. However, only a few candidates were unable to adequately respond to comprehension questions that demanded them to **explain**; for example, **question 24 (b)**.

General performance of candidates was average as most were able to give the correct answer while some had spelling difficulties for Biology terms like short/long sight writing it as long site or short site which takes a different meaning for **question 32**.

Others writing skave for scurvy for **question 28 a**
