Complete Guide to Career Planning DEVAJIT BHUYAN, 2015-06-01 Career planning has become a survival skill in today's world. Choosing a Career should be by Choice and not by Chance. But HOW TO CHOOSE THE RIGHT CAREER? What are the factors one should consider while choosing a career? A Complete Guide to Career Planning is about how to decide the direction your career will take. The purpose behind writing this book is to make you conversant with the various career options that you can pursue and enable you to select the right career you most fit in. The author has meticulously explored and mapped the cavernous paths of the globe of careers which exist presently. The book provides a straightforward introduction to the concepts of career choices and the importance of planning. It emphasises the importance of self-exploration by empowering readers to look at themselves, their strengths and weaknesses, and their background and values, and then realistically evaluate the various opportunities in the world of career. With this comprehensive guide, a student can learn how to explore career options, plan a career path, and find the right school and colleges for higher studies that will help him achieve his goals easily and convincingly. The book includes all the information you need to plan your future and take control of your career.

The Penguin India Career Guide Usha Albuquerque, 2000 Taking each career separately, Usha Albuquerque describes the qualifications and personal attributes that a person requires to make it big in the career of his/her choice. The book contains an exhaustive list of colleges and institutions.

Social Engineering - CTEVT Edition: Nepal C N Shankar Rao, This book has been specifically developed according to the syllabus prescribed by Council for Technical Education and Vocational Nepal for all Engineering students. The book has been developed in view of the recent development of the subject. This book gives a simple but systematic introduction and explanation to all the 6 chapters. Topics like introduction to sociology, social study, and social science, economy, condition of Nepal, social and cultural change, introduction of social development and services, concept of social survey, and Ethics and Moral are covered as per the requirements of the syllabus. I have taken sufficient care to be simple, lucid, and precise in my explanation of the topics so that it becomes student-friendly.
