Complete Guide to Holistic Cat Care Celeste Yarnall, Jean Hofve, 2009-09-01 Celeste Yarnall's time-tested natural and holistic expertise gives cat owners insight into natural alternatives in food, medication, alternative therapies, and healing practices, improving the lives of feline friends and well as their caregivers. With Dr. Jean Hofve, the esteemed holistic veterinarian, she explores nutrition, preventative medicine, vitamin and mineral supplements, herbal remedies, homeopathic treatments, and groundbreaking anti-aging modalities never before published in a pet care guide. *The Complete Guide to Holistic Cat Care* also includes a complete bibliography and a list of suppliers of holistic remedies and services. As with all other pet health guides, it is a comprehensive resource intended to complement veterinary care, not replace it. **The Book Tree** Elizabeth McCallum, Jane Scott, 2008 Literary habits naturally give way to literary affections. Once upon a time a carpenter entered a forest and happened upon a wolf wearing a feathered cap. Quick, whose side are you on? If you don't know, we suggest reading a hearty round of fairytales. Stories provide a roadmap for life. This is because stories are life. But oftentimes it's easiest to understand where we are when we can look through other eyes from the perspective of someone else living somewhere else, somewhen else. For those beginning to read for the first time or those beginning to read again, *The Book Tree* will drop golden apples in your lap until you can climb high enough to pick for yourself. **Charles White** Sarah Kelly Oehler, 2018-06-19 A revelatory reassessment of one of the most influential American artists of the 20th century, Charles White (1918-1979) is best known for bold, large-scale paintings and drawings of African Americans meticulously executed works that depict human relationships and socioeconomic struggles with a remarkable sensitivity. This comprehensive study offers a much-needed reexamination of the artist's career and legacy. With handsome reproductions of White's finest paintings, drawings, and prints, the volume introduces his work to contemporary audiences, reclaims his place in the art historical narrative, and stresses the continuing relevance of his insistent dedication to producing positive social change through art. Tracing White's career from his emergence in Chicago to his mature practice as an artist, activist, and educator in New York and Los Angeles, leading experts provide insights into White's creative process, his work as a photographer, his political activism, and interest in history, the relationship between his art and his teaching, and the importance of feminism in his work. A preface by Kerry James Marshall addresses White's significance as a mentor to an entire generation of practitioners and underlines the importance of this largely overlooked artist. **Verrocchio** Andrew Butterfield, 2021-09-28 A comprehensive survey of the work of this most influential Florentine artist and teacher, Andrea del Verrocchio (c. 1435-1488) was one of the most versatile and inventive artists of the Italian Renaissance. He created art across media, from his spectacular sculptures and paintings to his work in goldsmithing, architecture, and engineering. His expressive, confident drawings provide a key point of contact between sculpture and painting. He led a vibrant workshop where he taught young artists who later became some of the greatest painters of the period, including Leonardo da Vinci, Sandro Botticelli, Lorenzo di Credi, and Domenico Ghirlandaio. This beautifully illustrated book presents a comprehensive survey of Verrocchio's art.

spanning his entire career and featuring some fifty sculptures paintings and drawings in addition to works he created with his students Through incisive scholarly essays in depth catalog entries and breathtaking illustrations this volume draws on the latest research in art history to show why Verrocchio was one of the most innovative and influential of all Florentine artists Published in association with the National Gallery of Art Washington DC

Neurological Evaluation of Infants and Children Henry W. Baird,1983 This book explains clearly how to examine and assess a young child who has a possible neurological problem The emphasis is on the logical approach to identifying the child s problem and encompasses a thorough assessment of the child s needs The book includes a comprehensive section on developmental assessment from birth through the preschool years it also reviews all the specialized investigation techniques with which the clinician needs to be familiar The authors are both experts in their field and write from a wealth of clinical experience Their concern for the child within his family and wider environment is underlined throughout the text The skills involved in the neurological evaluation of the child are carefully and thoroughly explained
