Beethoven's Assassins Andrew Crumey, 2025-06-01 Beethoven's *Assassins* is impeccably ambitious reliably Entertaining and a little over the top It's what happens when everything is allowed John Self in *The Financial Times* Crumey gives each of his chapters its own period and central character and flips from one to another with the dexterity and humour of a champion juggler Matters of art science and philosophy are deftly discussed and sometimes linked to each other within the narrative Seeing connections everywhere is a hallmark of madness as well as German Romanticism is just one of Crumey's witty remarks with a hint of self mockery to it But Crumey is not mad or a German Romantic he is just full of pizzazz and fun Paul Griffith in *The Literary Review* It's great cerebral fun with its quantum physics telepathy time travel and fraying of fact and fiction But all this is its own misdirection Coyle's mother has died suddenly and his father has dementia The writing here about the soul grinding nature of the bureaucracy surrounding illness and death is chillingly good The questions the novel poses about science and aesthetics is Einstein as good as Beethoven pale in comparison to the rawness of the loss it depicts with the same scrutiny as an equation or a late quartet Stuart Kelly in *The Spectator* The intensity with which the story questions the very nature of time though and follows its central voice Robert Coyle through the strange reality shifting nightmare of the pandemic seems entirely of this moment as if Crumey were leading us into a terminal vortex of history and thought music and culture parallel universes and competing realities where all things sparkle and implode with extraordinary vividness on the edge of oblivion Joyce McMillan in *The Scotsman* Beethoven's *Assassins* is that refreshing thing a novel of ideas with all the intrigue and momentum and occasional red herring of an absorbing mystery underscored by a dark ironic sense of humour Coyle's shifting relationship with his dementia afflicted father Crouch's feelings of inadequacy Marion's compassion for the boy in her care and Therese's willingness to forgive her brother in law Beethoven on

his deathbed all anchor the story in a relatable humanity even as the characters are drawn inexorably into a weird hinterland of esoteric lore paranormal phenomena and ancient conspiracies Alastair Mabbott in *The Herald*
