Io non sono razzista, ma... Strumenti per disimparare il razzismo Paola Tabet, Silvana Di Bella, 1998

Non sono razzista, ma Luigi Manconi, Federica Resta, 2017-09-14 T00:00:00+02:00 Non sono razzista ma illustra un meccanismo psicologico tanto elementare quanto diffuso che mira a prendere le distanze dalle parole e dagli atti che ci tradiscono e contraddicono ciò che pensiamo di essere o che magari vogliamo far intendere di essere Ma ormai entrata in crisi l'interdizione morale nei confronti di parole e atti xenofobi che aveva costituito una sorta di presidio linguistico e culturale ma anche sociale e politico rispetto al ricorso a pratiche di esclusione e discriminazione Forse davvero sta cadendo il tab del razzismo nella società italiana Luigi Manconi e Federica Resta lanciano un grido d'allarme in questo pamphlet di grande urgenza l'intolleranza etnica ha trovato spazio nel discorso pubblico e nella sfera politica legittimando comportamenti fino a ieri censurati grazie a figure pubbliche che fanno del proprio ruolo istituzionale come nel caso del vicepresidente del Senato Roberto Calderoli una risorsa significativa di produzione e legittimazione dell'ostilità sociale nei confronti dello straniero Manconi e Resta dimostrano che queste figure pubbliche corrispondono a un tessuto in crescita di piccoli e grandi imprenditori politici dell'intolleranza capace di produrre anche casi paradossali di razzismo democratico come i Centri di identificazione e di espulsione per stranieri irregolari un sistema incompatibile con diversi principi costituzionali eppure tollerato dalle istituzioni Un libro fondamentale per evitare l'errore di indugiare nel peccato dell'indifferenza

Citizenship After Orientalism Engin F Isin, 2015-10-14 This collection offers a postcolonial critique of the ostensible superiority or originality of Western political theory and one of its fundamental concepts citizenship The chapters

analyse the undoing uncovering and reinventing of citizenship as a way of investigating citizenship as political subjectivity If it has now become very difficult to imagine citizenship merely as nationality or membership in the nation state this is at least in part because of the anticolonial struggles and the project of reimagining citizenship after orientalism that they precipitated If it has become difficult to sustain the orientalist assumption the question arises how do we investigate citizenship as political subjectivity after orientalism This book was originally published as a special issue of Citizenship Studies

Race, Ethnography and Education Rodney Hopson, Adrienne Dixson, 2016-03-23 This book focuses on race and ethnography and in particular it addresses two significant issues Firstly leading thinkers and emerging scholars in the field explicate the complicated nature of race intersections theories and meanings in educational ethnography The ethnographic accounts consider schooling which is then extended to larger educational settings bound by unique and peculiar histories and locations By amalgamating this selection of papers into one issue the book both challenges the effects of educational histories policies and practices by interrogating theories and meanings of race and positions race and racism in ethnography with the hope of presenting new applications and developments in ethnographic methodologies theories and practices The volume then develops the conversation by helping to build scholarship in understanding race meanings intersections and theories in educational and social sciences With the escalating attention given to the study of race scholarship in recent years there is still considerable information that scholars in the field need to know about how ethnographers and ethnography from diverse comparative and international schools and educational settings respond to racialized and racist practices while challenging and developing theories about race and racism in diverse global terrains and locations This book was originally published as a special issue of Ethnography and Education
