Robert Fiengo, 2007-05-03 *Asking Questions* examines a central phenomenon of language the use of sentences to ask questions Although there is a sizable literature on the syntax and semantics of interrogatives the logic of questions and the speech act of questioning no one has tried to put the syntax and semantics together with the speech acts over the full range of phenomena we pretheoretically think of as asking questions Robert Fiengo not only does this but also takes up some more foundational issues in the theory of language By positioning the findings of contemporary grammatical theorizing within the larger domain of language use Fiengo challenges the use theorist to acknowledge the importance of grammatical form and the grammarian to acknowledge the importance of use In addition to developing an Austinian distinction between four questioning speech acts and a proposal concerning the philosophy of language *Asking Questions* contains a useful discussion of the type token distinction and how use of language compares with use of other things Fiengo also considers the nature of multiple questions revealing what one must know to ask them and what speech acts one may perform when asking them *Asking Questions* advances our understanding of a wide range of issues in a number of important respects Scholars and students of linguistics and philosophy will find plenty to interest them in this pioneering work **Ask The Sales**

Coach-Practical Answers to the Questions Sales People Ask Most Susan A. Enns, 2019-02-20 Contrary to the popular belief sales people don't rely on the gift of the gab to be successful Actually the opposite is true The best sales professionals spend far more time asking and listening than they do talking and selling They ask questions of their customers they ask questions of their colleagues and they ask questions of their managers If Oxford defines curiosity as the strong desire to know or learn something then by that definition sales people are curious by nature In fact that's how sales professionals learn to be professional in the first place This is a collection of practical answers to questions sales people ask most Written

by Susan A Enns a professional sales coach with a proven track record of sales excellence over her 30 plus year career Her accomplishments include consecutively being the top sales rep in Canada managing the top sales branch and achieving outstanding sales growth in a national channel sales organization She has written several books about sales and sales management and has created numerous automated sales tools Her work has been published in several locations numerous times and has sold on five separate continents As such over the years Susan has been asked many questions by many sales people After a while she saw that sales people regardless of their experience the products they sell the industries in which they operate or the countries where they sell all share similar curiosities In other words although the wording may be different when asked in an email or when asked in person sales people all ask the same questions the most common of which are answered in this ebook As the old saying goes the only stupid questions are the ones unasked As a sales professional you should never be afraid to Ask the Sales Coach because you will learn so much from the answers Susan really knows the selling world She s honest articulate bright giving highly competent personable and a top professional Welcome her It s the right thing to do Our company hired Susan as our sales coach She has helped me make more appointments close more deals and make more money The 3 most important concepts in sales I would recommend any sales force hire her to help boost business sales Susan understands the sales process intimately and is able to create a management process around it that drives sales people to accomplish their goals Susan knows her stuff She brings many years of great sales experience and success to anyone who wished to improve their skills in sales She is very personable and is not afraid to tell it like it is I would recommend anyone and I have to Susan her website her books if you want to become a better sales person Thanks for the training I made my quota this year in May

The Top Books of the Year Asking Questions Asking Questions The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Asking Questions Asking Questions : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Asking Questions Asking Questions : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Asking Questions Asking Questions : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
