## **Post-War French Popular Music: Cultural Identity and the Brel-Brassens-Ferré Myth**

Adeline Cordier,2016-04-08 Jacques Brel Georges Brassens and Lou Ferré are three emblematic figures of post war French popular music who have been constantly associated with each other by the public and the media. They have been described as the epitome of chanson and of Frenchness. But there is more to the trio than a musical trinity: this new study examines the factors of cultural and national identity that have held together the myth of the trio since its creation. This book identifies the combination of cultural and historical circumstances from which the works of these three singers emerged. It presents an innovative analysis of the correlation between this iconic trio and the evolution of national myths that nurtured the cultural aspirations of post war French society. It explores the ways in which Brel, Brassens and Ferré embody the myth of the left wing intellectual and of the authentic Gaul spirit, and it discusses the ambiguous attitude of post war French society towards gender relations. The book takes an original look at the trio by demonstrating how it illustrates the popular representation of a key issue of French national identity: the paradoxical aspiration to both revolution and the maintenance of the status quo.

*The French in Love and War* Charles Rearick,1997-01-01 Describes developments in French popular culture between 1914 and 1945 and argues that the harsh times led to the emergence of images glorifying the common Frenchman in songs, film and popular literature

## **Paris Dreams, Paris Memories**

Charles Rearick,2023-05-25 A rich and entertaining history of the French capital's predominant myths and image making from the nineteenth century to the present. Roxanne Pachasi H France Review How did Paris become the world favorite it is today? Charles Rearick argues that we can best understand Paris as several cities in one, each with its own history and its own imaginary shaped by dream and memory. Paris has long been at once a cosmopolitan City of Light and of modernity, a patchwork of time resistant villages, a treasured heirloom, a hell for the disinherited and a legendary pleasure dome. Focusing on the last century and a half, Paris Dreams, Paris Memories makes contemporary Paris understandable. It tells of renewal projects radically transforming neighborhoods and of counter measures taken to perpetuate the city's historic character and soul. It provides a historically grounded look at the troubled suburbs. Further, it tests long standing characterizations of Paris's uniqueness through comparisons with such rivals as London and Berlin. Paris Dreams, Paris Memories shows that in myriad forms buildings, monuments, festivities and artistic portrayals, contemporary Paris gives new life to visions of the city long etched in Parisian imaginations. A pleasure to read.

### **The Heroic City**

Rosemary Wakeman,2009-12-15 The Heroic City is a sparkling account of the fate of Paris's public spaces in the years following Nazi occupation and joyful liberation Countering the traditional narrative that Paris's public landscape became sterile and dehumanized in the 1940s and 50s Rosemary Wakeman instead finds that the city's streets overflowed with ritual drama and spectacle With frequent strikes and protests young people and students on parade North Africans arriving in the capital of the French empire and radio and television shows broadcast live from the streets Paris continued to be vital terrain Wakeman analyzes the public life of the city from a variety of perspectives A reemergence of traditional customs led to the return of festivals street dances and fun fairs while violent protests and political marches the housing crisis and the struggle over decolonization signaled the political realities of postwar France The work of urban planners and architects the output of filmmakers and intellectuals and the day to day experiences of residents from all walks of life come together in this vibrant portrait of a flamboyant and transformative moment in the life of the City of Light
