

The Crucible

Arthur Miller

Hello my name is Ewan Silversti, and I am originally an Australian English teacher who came to the USA 11 years ago on an exchange program and stayed. I have taught *The Crucible* in Australia and in America. I used to use the text based questions to generate discussions in class, and also as a test to see what had been learned at the end of the unit. I adapted these questions from the Premier Hall English III Text Book.

I decided to make up these questions into a writing format that I could use for each Act or all the Acts at the end. You can adapt the lines and copy/paste more lines into each space if you want students to write more. I added a few more questions to make it up to 50 total, to make the calculations a little easier.
