This book will lead you into a glorious destiny. With Prayer Passport in your hands, the Kingdom of darkness is in trouble. This is indeed your passport to breakthrough, prosperity, peace, power, uncommon testimonies, and an entrance into the realm where you will possess your possessions. *Prayer Passport* Dr. D. K. Olukoya, 2016-02 Prayer Passport is a compendium of rare and powerful prayer points. It is a unique spiritual warfare manual leading readers into triumph over the kingdom of darkness. It is indeed a passport to victorious living and breakthroughs in the spiritual realm. [Handbook of Christian Prophetism in Africa](#), 2025-08-14 More than half a century has passed since the first monographs on African Christian prophetism were published. The prophetic element was only the most dramatic and prominent part of developments that sought to bring the biblical material alive in ways that had not been experienced in the ecclesiology of Western mission Christianity. The ministries of African charismatic figures of the early 20th century were oriented towards the biblical phenomenon of the prophetic and the related issue of divine or faith healing, sometimes even to the neglect of the use of biomedical resources. The developments have been interrogated in religious studies, theology, and the sociology and psychology of religion, showing how important these churches have been in the African public sphere. **Prayer Passport to Crush Oppression** D. K. Olukoya, 2013-11-07 [Choose Life](#) Denice D Cook M D, 2010-03 In this rapidly changing, highly technical world, isn't it comforting to know that there are a few things that you are still in control of? In this book, *Choose Life*, you will explore some of the aspects of nutrition, including dietary supplements, alkaline water, the importance of detoxification, and aspects of spirituality, all designed to aid you in improving your overall health. *Choose Life* is written to encourage you, the reader, to take some control over your health and to make wise choices regarding the food and water that you consume. You will also be compelled to seek for more knowledge to improve your health, since much more information will be unveiled in the years to come through revelatory insight and research. Denice D Cook M D *Intensity in Prayer* Dr. D. K. Olukoya, 2013-12-16 Generally speaking, prayer means addressing or speaking to God in order to give thanks, ask for help, express your feelings, etc. However, there are levels of prayer. These levels of prayer determine the result you get at the end of the day. But it is certain that it is the effectual, fervent prayer of the righteous that avails much. Many people fail at the altar of prayer due to ignorance about the mysteries of prayer. This book will teach you these mysteries and equip you to get to that level where you prevail always in prayer. **The Oxford Handbook of Isaiah** Lena-Sofia Tiemeyer, 2020 The book of Isaiah is without doubt one of the most important books in the Hebrew Bible, Old Testament, as evidenced by its pride of place in

The Split God Nimi Wariboko,2018-02-15 Although Pentecostalism is generally considered a conservative movement in The Split God Nimi Wariboko shows that its operative everyday notion of God is a radical one that poses under cover of loyalty a challenge to orthodox Christianity He argues that the image of God that arises out of the everyday practices of Pentecostalism is a split God a deity harboring a radical split that not only destabilizes and prevents God himself from achieving ontological completeness but also conditions and shapes the practices and identities of Pentecostal believers Drawing from the work of Slavoj i ek Jacques Lacan Jean Luc Nancy and Giorgio Agamben among others Wariboko presents a close reading of everyday Pentecostal practices and in doing so uncovers and presents a sophisticated conversation between radical continental philosophy and everyday forms of spirituality By de particularizing Pentecostal studies and Pentecostalism Wariboko broadens our understanding of the intellectual aspects of

the global Pentecostal and Charismatic movements *Studies in Isaiah* Tommy Wasserman, Greger Andersson, David Willgren, Claudia V. Camp, 2017-02-23 The Book of Isaiah is considered one of the greatest prophetic works in the Hebrew Bible Old Testament The complex history of the book's composition over several time periods can often perplex and enthrall The editors to this volume encourage readers to engage deeply with the text in order to get a grasp of the traces and signs within it that can be seen to point to the book's process of composition and ongoing reinterpretation over time The contributions discuss suggested segments of composition and levels of interpretation both within the book of Isaiah and its history of reception The book is divided into two sections in the first part certain motifs that have come to Isaiah from a distant past are traced through to their origins Arguments for a suggested Josianic edition are carefully evaluated and the relationship between the second part of Isaiah and the Book of Psalms is discussed as are the motifs of election and the themes of Zion theology and the temple The second part of the book focuses on the history of reception and looks at Paul's use of the book of Isaiah and how the book is used and perhaps misused in a contemporary setting in the growing churches in Africa With a range of international specialists including Hugh Williamson Tommy Wasserman and Knut Holter this is an excellent resource for scholars seeking to understand Isaiah in a greater depth **Prayer Passport** Dr D.
