Grace in His Bosom Henry A. Fagbola .,2022-07-22 Do you understand what you re reading That was the direct question Philip asked the Ethiopian eunuch He answered How can I without some help and invited Philip to the chariot with him The entire scenario in Acts 8 26 40 portrays in detail the essence of this book Understanding spiritual understanding is a process That process starts with relationship It is propelled by the innate desire to share in the common experience in Christ When you read the Bible like the eunuch did the following things happen You enter into a relationship with the King and His Kingdom You access the instruction bank of the King and His Kingdom You acquire knowledge about the King and His Kingdom You communicate to the King of kings on the basis of the knowledge acquired You confront kingdom distractions You develop intimacy with God You enter into spiritual bonding with the Holy Spirit These seven steps define the content of this book In Grace in His Bosom Dr Fagbola shared powerful insights that are necessary for understanding spiritual understanding Answering the Call Nadu Denloye,2016-06-30 Answering the Call is a faith based book about one woman s

lucid account of her journey to self discovery It details her gradual understanding of life and purpose after a life transforming experience despite having spent decades living a seemingly successful life More than just another leadership book Answering the Call is personal and challenges one to ask certain salient questions that cannot be answered without first knowing your role in the grand agenda that has been set by the Master Planner Kogi Today ,2004-09 **Character** Mike Olawale,2020-10-18 In the ministry and in family and social relationships a person s character is of extreme importance because it paints a picture of his or her reputation Moreover an individual s character is an important factor in determining how successful one becomes in dealing with others in the ministry and in other aspects of human relations For example a person who has various talents or abilities but has a bad attitude or character may be successful for a moment but may not be able to sustain it The renowned bible scholar D L Moody makes a great correlation between character and reputation He

stated If I take care of my character my reputation will take care of itself His statement makes sense in many different ways because your reputation is a by product of your character Even in the natural world bad tarnished or rotten seeds cannot bring about a good harvest or good products A writer once said You don t determine your destiny your character determines your destiny Therefore character is the covenant foundation upon which great futures are built Jesus was speaking about this interpretation in Matthew 7 15 20 He stated by their fruit you shall know them So developing a Christian God like character that gives glory to His name is a must We need to cultivate and develop God like character traits that portray us as His children
