David Cameron Gikandi:

A Happy Pocket Full of Money David Cameron Gikandi, 2011-10-01 *A Happy Pocket Full of Money* first self published in 2001 so impressed Rhonda Byrne that she asked David Gikandi to become a consultant on *The Secret*. In *A Happy Pocket Full of Money* Gikandi explains that true wealth is not about having buckets of cash but rather understanding the value within. True wealth flows out of developing wealth consciousness that incorporates gratitude, a belief in abundance, and an ability to experience joy in life. He explores how recent discoveries in theoretical physics are relevant for the creation of personal wealth and shows readers how to create abundance by saving, giving, offering charity, and building happy relationships. *A Happy Pocket Full of Money* features: How to use an internal mantra to build wealth consciousness; How to be conscious and deliberate about your thoughts and intentions; How to decide, define, and set goals you can believe in; How to act on your beliefs and overcome challenges; How to incorporate gratitude, giving, and faith to experience abundance and joy in life. This inspirational book will change how you view and create money, wealth, and happiness in your life. *Summary of David Cameron Gikandi & Bob Doyle's A Happy Pocket Full of Money* Everest Media, 2022-02-28T20:37:00Z. Please note: This is a companion version, not the original book. **Sample Book Insights**

- 1 Money is not real. It is merely a form of exchange that allows us to exchange value. It represents value.
- 2 The expansion of your internal value is what creates money. Your internal value is what creates money, but your wealth consciousness is not determined by your internal value. Your wealth consciousness is the expansion of your consciousness and awareness into the wealthy parts of your self.
- 3 You are about to embark on a journey that will teach you how to customize your world to your liking. Once you have wealth consciousness, it will be very difficult for you to avoid success and wealth. Success and wealth will follow you wherever you go.
- 4 After the simplified introduction to quantum physics, you will never view the world the same way again. You will have a feeling of involvement and power in the universe.

A Happy Pocket Full of Money, Expanded Study Edition David Cameron Gikandi, 2015-10-01. It's Not Just About the Money. True wealth is not about buckets of cash. True wealth is not about designer clothes. It is not about a new Mercedes. It is not about living in a palatial estate. True wealth, asserts David Gikandi, is about discovering value within yourself and value within other people. It is about a kind of conscious living that incorporates gratitude, a belief in abundance, and the experience of joy. Based on the recent discoveries of theoretical physics and a close reading of inspirational classics of the last century, Gikandi creates a new model for the creation of personal wealth, a new model that shows readers how to create abundance by saving, giving, offering charity, and building happy relationships. Learn to use an internal mantra to build wealth consciousness. Practice conscious and deliberate thoughts and intentions. Decide, define, and set goals you can believe in. Practice gratitude, giving, and faith, and experience abundance and joy in your life. Includes a 16-page study guide for individuals and group use. *Success Through Self-Acceptance* David Cameron Gikandi, 2021-06-08. Choosing Divorce Dr. Cassie Seal PT DPT, 2025-04-07 There is an unwritten rule in our culture that to divorce someone means that we no longer Love them Yet I am convinced the question we should be asking ourselves in the face of divorce is not whether we still Love this person but rather HOW CAN I LOVE THIS PERSON MORE By the time I started asking these questions it was undeniable that something was deeply wrong with our marriage Neither of us were happy and neither of us knew what to do about it Armed with two choices stay or leave and a commitment to loving him more I set out to uncover the path that was right for me I discovered that the problem in our marriage wasn't that either one of us had done something wrong It was that we didn't know what Love is More than anything this book is a journey to discover Love It is the dismantling of what we have learned Love to be conditional and co dependent and the rebuilding of a relationship structure that is built on a foundation of Love that is unconditional and whole I am not advocating for more divorce I am advocating for more Love I do not care whether you are married or divorced I care whether you are living breathing and being in a state that is Love
