Bible Stories & Crafts: New Testament Mary Tucker, 2007-01-10 Bible stories from the Old and New Testaments are presented in creative ways to help children understand God's work and His presence in their everyday lives. Each story is accompanied by discussion questions, a memory verse, and a fun craft activity.

The Signs of the New Temple Tat Yu Lam, 2023-11-07 Recent monographs on Johannine signs tend to focus on a single sign. Other studies that examine multiple signs mainly focus on the first half of John's Gospel. In Christian circles, most preachers and believers remain preoccupied by the traditional view that John's Gospel contains only seven signs. However, what constitutes a sign for John and how signs function to achieve the purpose of the Gospel John 20:30-31 is far from settled. Three features of this book explore important clues for solving this puzzle: 1. a fresh hypothesis that Jesus's signs correspond to the four tabernacle signs: a pot of manna, Aaron's staff, the bronze altar cover, and the bronze serpent, which makes sense given the tabernacle/temple theme of John's Gospel; 2. a complete study that examines Johannine signs in the whole Gospel systematically to reveal how signs develop the book's purpose; and 3. an adaptation of a sociolinguistic theory to examine the corresponding texts of the Old Testament and New Testament in light of how language functions in a social event. The author will show how Jesus's signs fulfill the functions of the four tabernacle signs and how Jesus's crucifixion is the all-inclusive sign in witnessing to his identity.

Be Still: Uncovering God's Solution for Achieving Happiness, Healing, and Wholeness Anita Marchesani, Ph.D., 2019-12-07 No one escapes this life without heartbreak, emotional pain, and suffering. God promises to heal your wounded, scarred, broken, and shattered heart. Counseling therapy and even medications have limits on the depth of healing they can provide. Sometimes only a direct, intimate, specific supernatural word from the Sovereign Creator of the universe can heal an emotional wound. We have a role and responsibility in our healing relationship with Jesus. God cannot heal us without our active participation beyond even prayer. We must place ourselves in the proper spiritual and emotional position to receive God's healing word into our hearts. That position is Biblical stillness. When God commands us to be still, He is serious. God wants us to be still according to His definition of stillness. Being still does not come naturally, but we can learn specific strategies and techniques to move into still space. From that posture, we can receive the

gravitas of His word that heals us immediately *The Chase* Ron Charles,2020-03-25 The Chase is the second of the three volume continuum entitled The Hunt Volume 1 was entitled The Search It recorded my search for historical documents that confirmed the truth about the life of Jesus as recorded in the four Gospels of the Bible Volume 2 The Chase is a record of the application of the documentation found in The Search to the truth regarding the life of Jesus as recorded in the four Gospels of the Bible Volume 3 The Find will use historical documents found and applied to the life of Jesus to identify and conform his position as Messiah forgiving Savior and Eternal King The second volume The Chase of the set of three explores the earthly life of Jesus within the context of known Greco Roman history customs philosophies and manners of the time Jesus was born into this world during the time of the Roman emperor Caesar Augustus January 27 BC to August 14 AD He lived ministered and was put to death during the reign of Roman emperor Caesar Tiberius September 14 AD to March 37 AD Jesus was born into part of the world governed by Herod the Great a vassal king appointed by the emperor Jesus and the Stigmatized Elia Shabani Mligo,2011-08-01 Biblical scholars often read the Bible with their own interpretive interests in mind without associating the Bible with the concerns of laypeople This largely undermines the contributions laypeople can offer from reading the Bible in their own contexts and from their own life experiences Moreover such exclusively scholarly reading conceals the role of biblical texts in dealing with current social problems such as HIV AIDS related stigmatization Hence the lack of lay participation in the process of Bible reading makes the Bible less visible in various common life situations In this volume Elia Shabani Mligo draws on his fieldwork among people living with HIV AIDS PLWHA in Tanzania selects stigmatization as his perspective and chooses participant centered contextual Bible study as his method to argue that the reading of texts from the Gospel of John by PLWHA given their lived experiences of stigmatization empowers them to reject stigmatization as unjust Mligo s study shows that Christian PLWHA reject stigmatization because it does not comply with the attitude of Jesus toward stigmatized groups in his own time The theology emerging from the readings by stigmatized PLWHA through their evaluation of Jesus attitudes and acts toward stigmatized people in the texts challenges churches in their obligatory mission as disciples of Jesus Churches are challenged to reconsider healing hospitality and caring prophetic voices against stigmatization and the way they teach about HIV and AIDS in relation to sexuality Churches must revisit their practices toward stigmatized groups and listen to their voices Mligo argues that participant centered Bible study methods similar to the one used in this book whereby stigmatized people are the primary interlocutors in the process can be useful tools in listening to the voices of stigmatized groups Engineered for Success Randy Riddell,2022-11-03 We know God works in the spiritual things in our life but what about our work Even when we are not aware God has a plan for the work in our life God has engineered our work for success and He has given us the principles for successful work in His Word Fulfillment in our work and life depends on following God s plan God has engineered you for successful work you just have to seek God s ways to attain it Engineered for Success will help you discover God s design and plan in your work no matter what

Gospels or Biographies? The Gospels as Folk Literature Ryder Wishart,2024-03-11 Challenging the widely accepted classification of the canonical gospels as biographies or historiographies the author argues that they should be classified as collections of folk literature from early Christianity Drawing on comparative register analysis and re introducing literary and sociolinguistic insights from the twentieth century form critics this insightful study challenges readers to rethink the significance of gospels for understanding Jesus s historical context and relevance for modern readers The gospels are not merely designed to inform readers about the life of Jesus but also to push readers into accepting or rejecting his teaching It is a must read for anyone seeking a deeper understanding of the gospel genre and the intentions of the evangelists who compiled them

The Second Swordsman Writes Again Heard Lowry,2024-02-08 In this sequel to The Second Swordsman you ll continue to probe the truths of the gospel through the eyes of a narrator from biblical times The central character draws on his experiences with Jesus and the early days of the growing church The title is drawn from the disciple who had the second sword in the garden of Gethsemane but never used it as Peter did his making him an inside player who is anonymous enough to build thought provoking stories as he carries out his ministry Grounded in teachings from the New Testament the vignettes also draw on the author s own experiences and encounters to share powerful lessons through the eyes of a first person narrator who journeyed through the land on a mission to present the Good News That journey portrays what life might have been like during the unfolding of the Greatest Story Ever Told The collection is organized into sections to consider aspects of the narrator s mission the creative nature of our response struggles that are encountered along the way and how our spiritual ideas can be reshaped Move closer to Christ and His Kingdom with the incredible stories in The Second Swordsman Writes Again

The Making of a Disciple Edward W. Watson, Martin M. Culy, 2021-09-02 Modern readers sometimes view the Gospels and other biblical narratives as mere historical accounts of events that occurred long ago Biblical narratives however are intended to do far more than teach us history They are intended to change how we think and how we live In *The Making of a Disciple* Watson and Culy use insights from narrative criticism to show that the message of the Gospel of John is communicated not only through the teachings and deeds of Jesus but also through the actions of the other main characters and the consequences of their actions As readers observe characters interacting with Jesus they are implicitly encouraged to either emulate or avoid their behavior Coupled with the teachings and acts of Jesus these characters serve as potent tools in the Gospel of John to showcase what it looks like not only to become a disciple of Jesus but also to grow to maturity and experience the fullness of joy that Jesus offers

each Gospel passage theological pastoral exegetical and homiletical **One Thing I Know** Britt Leslie, 2015-04-29 This work employs multiple methodologies to analyze the story of the man born blind John 9 in order to discern how this episode serves the greater purpose of the Gospel stated in 20:31 so that you may trust that Jesus is the Messiah the Son of God and through trusting you may have life The analysis of linguistic patterns narrative structure cultural anthropology and an analysis of irony humor and wit are each employed These are all synthesized in the final chapter which makes an attempt to discern how an ancient performance of John 9 might look and how such a performance might sway an ancient audience toward trust in Jesus as Messiah The Gospel of John Frederick Dale Bruner, 2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers *The Gospel of John: A Commentary* more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike *God in Sandals* Christopher Shaw, 2010-11-05 *God in Sandals* leads the reader to daily encounters in the Gospels bringing a fresh approach to the Person of Jesus The resulting adventure will allow you to enjoy Jesus as never before and will deeply stir your soul planting the seeds of a genuine and dramatic spiritual transformation Encyclopedia of Disability Gary L Albrecht, 2006 Presents current knowledge of and experience with disability across a wide variety of places conditions and cultures to both the general reader and the specialist
