witness of Francis of Assisi and the biblical work life balance that Benedict of Nursia pioneered after years of driving himself and others too hard and without surrendering his holy zeal Gorgeously written and deeply insightful Colleen Carroll Campbell s The Heart of Perfection shows that the solution to perfectionism is not to squelch our hard wired desires for excellence but to allow God to purify and redirect them by swapping the chains of control and comparison for pursuit of a new kind of perfection the freedom of the children of God **Called to the Emmanuel Community** Jean-Luc Moens,2017-05-12 This handbook has been written for the formation of all members of the Emmanuel Community and it also speaks to all people who want to live a 100% Christian daily life It is divided into six parts Living in the Emmanuel Community Life in the Holy Spirit Living with Brothers and Sisters Living with God Living in Freedom and Living in the World without belonging to the World Based on the great Tradition of the Church it stimulates commitment by inviting the reader to personal reflection and exchange This course in formation can be taken with an individual companion or in a group This book will tell you all you ever wanted to know about the Emmanuel Community and that you never dared to ask
