Roger Fischer's unique text provides a highly accessible and invaluable introduction to the history of an area which is currently emerging as pivotal in international affairs. *A History of the Pacific Islands* traces the human history of nearly one third of the globe over a fifty thousand year span. This is history on a grand scale taking the islands of Melanesia, Micronesia and Polynesia from prehistoric culture to the present day through a skilful interpretation of scholarship in the field. Fischer's familiarity with work in archaeology and anthropology as well as in history enriches the text making this a book with wide appeal for students and general readers.

Forthcoming Books Rose Arny, 2004 **A History of Southern Africa** Alois S. Mlambo, Neil Parsons, 2018-09-08

From early human civilisation to today this book illuminates the history of southern Africa. Interweaving social, cultural and political history, archaeology, anthropology and environmentalism, Neil Parsons and Alois Mlambo provide an engaging account of the region's varied past. Placing African voices and agency at centre stage rather than approaching the subject through a colonial lens, *A History of Southern Africa* provides an engrossing narrative of the region. This textbook is ideal for both undergraduate and postgraduate students of History and African Studies and will provide an essential grounding for those taking courses in the history of southern Africa. Its lively and accessible approach will appeal to anyone with an interest in global history.
