A History Of Us Feminisms:

A History of U.S. Feminisms Rory C. Dicker, 2016-01-26 The complete authoritative and up to date history of American feminism intersectionality sex positivity Updated and expanded the second edition of A History of U S Feminisms is an introductory text that will be used as supplementary material for first year women s studies students or as a brush up text for more advanced students Covering the first second and third waves of feminism A History of U S Feminisms will provide historical context of all the major events and figures from the late nineteenth century through today The chapters cover first wave feminism a period of feminist activity during the nineteenth and early twentieth centuries which focused primarily on gaining women s suffrage second wave feminism which started in the 60s and lasted through the 80s and emphasized the connection between the personal and the political and third wave feminism which started in the early 90s and is best exemplified by its focus on diversity intersectionality queer theory and sex positivity The Legacy of Second-Wave Feminism in American Politics Angie Maxwell, Todd Shields, 2017-12-05 This book chronicles the influence of second wave feminism on everything from electoral politics to LGBTQ rights The original descriptions of second wave feminism focused on elite white voices obscuring the accomplishments of many activists as third wave feminists rightly criticized Those limited narratives also prematurely marked the end of the movement imposing an imaginary timeline on what is a continuous struggle for women s rights Within the chapters of this volume scholars provide a more complex description of second wave feminism in which the sustained efforts of women from many races classes sexual orientations and religious traditions in the fight for equality have had a long term impact on American politics These authors argue that even the Second Wave metaphor is incomplete and should be replaced by a broader more inclusive metaphor that accurately depicts the overlapping and extended battle waged by women activists With the gift of hindsight and the awareness of the limitations of and backlash to this Second Wave the time is right to reflect on the feminist cause in America and to chart its path forward

Modern Feminist Movement and Contemporary Issues: 1961 to Present Elizabeth Purdy, 2020-02-01 Written in engaging and accessible prose by experts in the field this reference introduces readers to the hidden history of women in America from 1961 to the present bringing their achievements to light and helping them gain the recognition they deserve Chapters include Arts and Literature Business Education Entertainment Family Health Politics Science and Medicine Society

Home Invasion Horrors Ryan Izay, 2025-07-11 Home invasion narratives have been around nearly as long as cinema itself popularized by the silent era s race to the rescue movies and classic Hollywood s gangster raid films and influenced by the slasher and stalker sub genres They emerged as a fully formed sub genre following the success of major releases like *The Strangers* 2008 and *The Purge* 2013 with more than 100 such films issued in the 2010s alone Commonalities and differences can be found in the home invasion films featuring criminals stalkers and psychopaths in addition to the inverted and hybrid releases that revise established narratives This book examines the history cinematic and societal influences and reasons for

the popularity of home invasion films offering potential allegorical readings of the narratives and a comprehensive list of these films

Theory in Its Feminist Travels Katie King, 1994 Katie King examines the development of U S feminist theory tracing its inception rocky development and internecine struggles She argues that the subject matter of women s studies is cultural studies This book should definitively alter the map of contemporary feminist theory in the U S and abroad Donna Landry

The Oxford Handbook of American and British Women Philosophers in the Nineteenth Century Lydia Moland, John D and Catherine T MacArthur Professor of Philosophy Lydia Moland, Alison Stone, 2025 The Oxford Handbook of American and British Women Philosophers in the Nineteenth Century challenges the misconception that there were no female philosophers during this era It explores the diverse philosophical contributions of women including those who wrote academic texts novels pamphlets journalism and activist writings and examines women s contributions to both philosophical movements and topics in social philosophy It reveals that the nineteenth century was more conducive to women authors than commonly believed and discusses how factors like race and class influenced women s philosophical perspectives The Handbook corrects the historical narrative and broadens our understanding of philosophy by showcasing the significant contributions of women philosophers

Reclaiming the Feminist Vision Janet L. Freedman, 2014-05-14 It s called consciousness raising CR Asking questions about our experiences and sharing insights and analyses with others can be the basis for informed activism for positive social change CR provided the entry point for feminists who shaped the women s liberation movement in the late 1960s and 1970s and is now being revitalized across class race and geography in face to face groups and on the internet Reclaiming the Feminist Vision traces the origins principles and impact of consciousness raising reveals how the process migrated to other settings sometimes maintaining the original political intent and sometimes diluting it The book calls for the renewal of the practice to help feminists regain their voices and their power in shaping social movement history

Ecofeminist Natures Noel Sturgeon, 2016-01-08 Examining the development of ecofeminism from the 1980s antimilitarist movement to an internationalist ecofeminism in the 1990s Sturgeon explores the ecofeminist notions of gender race and nature She moves from detailed historical investigations of important manifestations of US ecofeminism to a broad analysis of international environmental politics

Arab and Arab American Feminisms Rabab Abdulhadi, Evelyn Alsultany, Nadine Naber, 2011-04-05 In this collection Arab and Arab American feminists enlist their intimate experiences to challenge simplistic and long held assumptions about gender sexuality and commitments to feminism and justice centered struggles among Arab communities Contributors hail from multiple geographical sites spiritualities occupations sexualities class backgrounds and generations Poets creative writers artists scholars and activists employ a mix of genres to express feminist issues and highlight how Arab and Arab American feminist perspectives simultaneously inhabit multiple overlapping and intersecting spaces within families and communities in anticolonial and antiracist struggles in debates over spirituality and the divine within radical feminist and queer spaces in academia and on the street and among each other Contributors

explore themes as diverse as the intersections between gender sexuality Orientalism racism Islamophobia and Zionism and the restoration of Arab Jews to Arab American histories This book asks how members of diasporic communities navigate their sense of belonging when the country in which they live wages wars in the lands of their ancestors Arab and Arab American Feminisms opens up new possibilities for placing grounded Arab and Arab American feminist perspectives at the center of gender studies Middle East studies American studies and ethnic studies

Women in Culture Bonnie Kime Scott, Susan E. Cayleff, Anne Donadey, Irene Lara, 2016-08-01 The thoroughly revised *Women in Culture* 2 e explores the intersections of gender race sexuality gender identity and spirituality from the perspectives of diverse global locations Its strong humanities content including illustrations and creative writing uniquely embraces the creative aspects of the field Each of the ten thematic chapters lead to creative readings introducing a more Readings throughout the text encourage intersectional thinking amongst students humanistic angle than is typical of textbooks in the field This textbook is queer inclusive and allows students to engage with postcolonial decolonial thinking spirituality and reproductive environmental justice A detailed timeline of feminist history criticism and theory is provided and the glossary encourages the development of critical vocabulary A variety of illustrations supplement the written materials and an accompanying website offers instructors pedagogical resources

Queer Forms Ramzi Fawaz, 2022-09-06 How do we represent the experience of being a gender and sexual outlaw In *Queer Forms* Ramzi Fawaz explores how the central values of 1970s movements for women s and gay liberation including consciousness raising separatism and coming out of the closet were translated into a range of American popular culture forms Throughout this period feminist and gay activists fought social and political battles to expand transform or wholly explode definitions of so called normal gender and sexuality In doing so they inspired artists writers and filmmakers to invent new ways of formally representing or giving shape to non normative genders and sexualities This included placing women queers and gender outlaws of all stripes into exhilarating new environments from the streets of an increasingly gay San Francisco to a post apocalyptic commune from an Upper East Side New York City apartment to an all female version of Earth and finding new ways to formally render queer genders and sexualities by articulating them to figures outlines or icons that could be imagined in the mind s eye and interpreted by diverse publics Surprisingly such creative attempts to represent queer gender and sexuality often appeared in a range of traditional or seemingly generic popular forms including the sequential format of comic strip serials the stock figures or character types of science fiction genre the narrative conventions of film melodrama and the serialized rhythm of installment fiction Through studies of queer and feminist film literature and visual culture including Mart Crowley s *The Boys in the Band* 1970 Armistead Maupin s *Tales of the City* 1976 1983 Lizzy Borden s *Born in Flames* 1983 and Tony Kushner s *Angels in America* 1989 1991 Fawaz shows how artists innovated in many popular mediums and genres to make the experience of gender and sexual non conformity recognizable to mass audiences in the modern United States Against the ideal of ceaseless gender and sexual fluidity and

attachments to rigidly defined identities Queer Forms argues for the value of shapeshifting as the imaginative transformation of genders and sexualities across time By taking many shapes of gender and sexual divergence we can grant one another the opportunity to appear and be perceived as an evolving form not only to claim our visibility but to be better understood in all our dimensions

Feminism as Life's Work Mary K. Trigg, 2014-06-23 With suffrage secured in 1920 feminists faced the challenge of how to keep their momentum going As the center of the movement shrank a small self appointed vanguard of modern women carried the cause forward in life and work Feminism as Life's Work profiles four of these women the author Inez Haynes Irwin the historian Mary Ritter Beard the activist Doris Stevens and Lorine Pruette a psychologist Their life stories told here in full for the first time embody the changes of the first four decades of the twentieth century and complicate what we know of the period Through these women's intertwined stories Mary Trigg traces the changing nature of the women's movement across turbulent decades rent by world war revolution global depression and the rise of fascism Criticizing the standard division of feminist activism as a series of historical waves Trigg exposes how Irwin Beard Stevens and Pruette helped push the U S feminist movement to victory and continued to propel it forward from the 1920s to the 1960s decades not included in the wave model At a time widely viewed as the doldrums of feminism the women in this book were in fact taking the cause to new sites the National Women's Party sexuality and relations with men marriage and work and financial independence In their utopian efforts to reshape work sexual relations and marriage modern feminists ran headlong into the harsh realities of male power the sexual double standard the demands of motherhood and gendered social structures In Feminism as Life's Work Irwin Beard Stevens and Pruette emerge as the heirs of the suffrage movement guardians of a long feminist tradition and catalysts of the belief in equality and difference Theirs is a story of courage application and perseverance a story that revisits the bleak and lonely years of the U S women's movement and emerges with a fresh perspective of the history of this pivotal era

Materialist Feminisms Donna Landry, Gerald McLean, 1993-10-08 Materialist Feminisms investigates the crucial theoretical and political debates that have determined the course of British and American feminism over the last thirty years As intellectual terrain has shifted during these decades from Marxism to cultural materialism and poststructuralist literary theory questions of race and ethnicity sexuality postcoloniality and green politics have converged and sometimes collided with the categories within feminism but analyze many of the most important texts and movements of contemporary cultural theory Offering not so much a unified history as an analysis of important moments within these debates this book examines the work of such feminist theorists as Michèle Barrett Judith Butler Rosalind Coward Donna Haraway bell hooks the m f collective Tania Modleski Jacqueline Rose Gayle Rubin Hortense Spillers and Gayatri Spivak Materialist Feminisms includes new exemplary readings of feminist detective African American and postcolonial fiction three kinds of textures commodity currently fetishized in the literary marketplace What might the success of these kinds of writing signify about politics and desire in contemporary Anglo American culture Demonstrating how the

poststructuralis critique of essences and identities need not end in a complete paralysis of political action as has sometimes been claimed Materialist Feminisms argues that feminism socialism and deconstruction are not theoretical dead ends but names for unfinished business *Episodes from a History of Undoing* Reghina Dascal, 2011-12-14 *Episodes from a History of Undoing The Heritage of Female Subversiveness* paraphrasing Rada Khumar's seminal study of the development of the feminist movements in India *The History of Doing* is a volume purporting to illustrate women's resistance to patriarchal colonization through societal norms and hegemonic discourses Whether mythical amazons mediaeval authors or regular cannonesses Renaissance monarchs activists and academics philosophers or politicians such women have become trail blazers in their fields attempting to forge new epistemes through strategies of undoing refashioning rewriting or revising political and cultural concepts practices and institutions The volume comprises 11 essays authored by academics from Brazil Hungary Poland Romania Turkey and the USA and addresses a wide readership of academics students historians NGO activists etc The volume is prefaced by Professor Margaret R Higonnet from Connecticut University [Reading Feminist Theory](#) Susan Archer Mann, Ashly Suzanne Patterson, 2016 *Reading Feminist Theory From Modernity to Postmodernity* interweaves classical and contemporary writings from the social sciences and the humanities to represent feminist thought from the late eighteenth century to the present Editors Susan Archer Mann and Ashly Suzanne Patterson pay close attention to the multiplicity and diversity of feminist voices visions and vantage points by race class gender sexuality and global location Along with more conventional forms of theorizing this anthology points to multiple sites of theory production both inside and outside of the academy and includes personal narratives poems short stories zines and even music lyrics Offering a truly global perspective the book devotes three chapters and more than thirty readings to the topics of colonialism imperialism and globalization It also provides extensive coverage of third wave feminism poststructuralism queer theory postcolonial theory and transnational feminisms **Feminist Collections**, 2016 *A Companion to Global Gender History* Teresa A. Meade, Merry E. Wiesner-Hanks, 2020-12-07 Provides a completely updated survey of the major issues in gender history from geographical chronological and topical perspectives This new edition examines the history of women over thousands of years studies their interaction with men in a gendered world and looks at the role of gender in shaping human behavior It includes thematic essays that offer a broad foundation for key issues such as family labor sexuality race and material culture followed by chronological and regional essays stretching from the earliest human societies to the contemporary period The book offers readers a diverse selection of viewpoints from an authoritative team of international authors and reflects questions that have been explored in different cultural and historiographic traditions Filled with contributions from both scholars and teachers *A Companion to Global Gender History Second Edition* makes difficult concepts understandable to all levels of students It presents evidence for complex assertions regarding gender identity and grapples with evolving notions of gender construction In addition each chapter includes suggestions for further reading in

order to provide readers with the necessary tools to explore the topic further Features newly updated and brand new chapters filled with both thematic and chronological geographic essays Discusses recent trends in gender history including material culture sexuality transnational developments science and intersectionality Presents a diversity of viewpoints with chapters by scholars from across the world A Companion to Global Gender History is an excellent book for upper level undergraduate and graduate students involved in gender studies and history programs It will also appeal to more advanced scholars seeking an introduction to the field

Suffrage at 100 Stacie Taranto, Leandra Zarnow, 2020-08-04 Suffrage at 100 looks at women's engagement in US electoral politics and government over the one hundred years since the ratification of the Nineteenth Amendment In the 2018 midterm elections 102 women were elected to the House and 14 to the Senate a record for both bodies And yet nearly a century after the ratification of the Nineteenth Amendment the notion of congressional gender parity by 2020 a stated goal of the National Women's Political Caucus at the time of its founding in 1971 remains a distant ideal In Suffrage at 100 Stacie Taranto and Leandra Zarnow bring together twenty two scholars to take stock of women's engagement in electoral politics over the past one hundred years This is the first wide ranging collection to historically examine women's full political engagement in and beyond electoral office since they gained a constitutional right to vote The book explores why women's access to and influence on political power remains frustratingly uneven particularly for women of color and queer women Examining how women have acted collectively and individually both within and outside of electoral and governmental channels the book moves from the front lines of community organizing to the highest glass ceiling Essays touch on labor and civil rights education environmentalism enfranchisement and voter suppression conservatism vs liberalism indigeneity and transnationalism LGBTQ and personal politics Pan Asian Chicana and black feminisms commemoration and public history and much more Contributors Melissa Estes Blair Eileen Boris Marisela R Chavez Claire Delahaye Nicole Eaton Liette Gidlow Holly Miowak Guise I upiaq Emily Suzanne Johnson Dean J Kotlowski Monica L Mercado Johanna Neuman Kathleen Banks Nutter Katherine Parkin Ellen G Rafshoon Bianca Rowlett Sarah B Rowley Ana Stevenson Barbara Winslow Judy Tzu Chun Wu Nancy Beck Young
